Director's Desk

Hearty Welcome!

We appreciate your sincerity and determination to clear the important examination ahead of you. Your decision to consider Bakliwal Tutorials to be your trainer bears ample testimony to your resolve.

Every smart individual realizes the importance of expert help at the right juncture. Behind every Edmund Hillary triumphantly waving a flag at the pinnacle is month of toil under the watchful eyes of a committed trainer. For the past 18 years, we at BT have been that trainer for many a successful students.

So, do we have some magic formula that will open the gate of a favorite institute for you? No, we do not.

There is no substitute for all the hard work that you alone must put in. What we do have is the knowledge, expertise and the right classroom culture. Our knowledge will tell you how to channelize your efforts and how to focus your attention so that you are able to achieve maximum in minimum time. Our expertise will take you through so many simulations that when you face the real test you will have confidence of being on familiar ground. Our classroom culture will help you stay positive and motivated throughout.

We have a simple definition of our success: When you succeed, we succeed. Once again welcome to the BT family, welcome to success!

Sincerely,
Vaibhav Bakliwal

Mr. Vaibhav Bakliwal did his B.Tech in mechanical engineering from the IIT Bombay after which he worked with TATA motors for a year. But his penchant for teaching made him create Bakliwal Tutorials (BT) in April 2005. BT began with the aim to help students preparing for IIT-JEE, realize their dreams; and to make sure that the preparation process itself becomes a fun-filled and growth-involving experience.

The institute is successfully doing so and is now training more than 3500 students at its various centers for various courses. BT is a leading institute for JEE and has produced many Maharashtra toppers and single digit All India Ranks.

Apart from his love for studies and students, he also loves music, solving puzzles and playing chess. He has been Rajasthan Under-18 chess champion and has played in many national level championships. He was also class representative for his batch, general secretary for the mechanical department and board games secretary for the institute at IIT Bombay. Vaibhav sir very deservingly is also the vice president (Academics) of the coaching federation of India.

He has truly been an inspiration to thousands of students aspiring for the coveted IITs.

Committed to create ethical, rational & powerful human beings who will bring a positive difference to the society

What makes BT different?

1. 'Genuine results': Power of BT!

Unlike most institutes which thrive on fake results, we believe in absolute transparency. All the ranks mentioned by us belong to the general category unless otherwise specified clearly. All the results correspond to our classroom students. **We have also given contact details of all our IIT-JEE/JEE Advanced qualified students till date, on our website, in the results section.** We are yet to come across an institute in entire India which has the honesty, courage & confidence of declaring their results, consistently year after year, in such a transparent manner.

2. Regular revision lectures & doubt clearing sessions

Apart from doubts discussed during the lecture, there will be various ways through which students can get their doubts cleared. Following are the platforms which students can use for the same:

- **After the lecture**

In addition to the doubts discussed during the lecture, each 3 hour lecture will be followed by a 20 mins doubt session. In these 20 mins, teachers will be available for doubt discussion (both in online and offline lecture). Students can make use of this extra time to interact with teachers personally and get their doubts solved.

- **Doubt sessions**

In addition to the above, separate doubt sessions (both online & offline) are also conducted regularly of higher duration. In such doubt sessions too, students can interact with the teacher on a one-to-one basis and get their doubts cleared.

- **Doubt Forum**

Bakliwal Tutorials has an interactive doubt forum with exciting features where students can post their doubts and also solve the doubts of other students. Teachers also provide detailed video solutions of the doubts in the forum. The questions are easily searchable and are systematically available for reference and learning. Despite being a closed forum, meant exclusively for BT students, BT's forum is amongst the top results in Google search.

- **Telegram group**

Official Telegram groups (similar to WhatsApp groups) are created batch-wise with the sole purpose of doubts discussion. Students can post their doubts in that group and fellow batch mates along with teachers will participate to solve the same. This helps students to get instant solutions to most of their doubts at almost any time of the day.

3. Competent and committed faculty team

Many students at BT have quoted in their testimonials that BT means "Brilliant Teachers". Over the years, more than 10,000 teachers have applied at BT. Through a stringent selection process which involves 2 rounds of rigorous interview, written test and demo lecture, we select the best out of them.

Unlike other coaching classes which have only 1 or 2 'good' teachers, each and every faculty at BT is extremely knowledgeable, approachable and passionate about teaching. Most of the teachers at BT are IITians or passouts from an equivalent top college. Feedback of almost all teachers at BT, as frequently taken from students, is more than 9 out of 10.

What makes BT different?

4. Offline & Online tests with detailed analysis

Offline and Online Tests at BT (called BTests) are thought provoking and bear close resemblance to the actual JEE paper. We analyse the tests from a student's perspective providing detailed and in-depth analytics on time management and test taking strategy.

Some of the parameters on which student's performance is analysed are:

- **Subject analysis:** Students get to know their performance in each subject along with time spent per subject per question.
- **SWOT Analysis:** Student's can clearly see the topics in which they are strong or weak and then can easily decide the time to be spent on each topic going forward.
- **Analysis as per question type:** Questions in each test are tagged as per various types (single option correct, multiple options correct, integer type etc.) and students get to know how they fared under each type giving them an understanding of where they need to improve.
- **Attempt Analysis:** A unique analysis of questions attempted by the student according to their difficulty and trickiness level is provided to the student to give an understanding of whether the easier questions were attempted earlier than the difficult questions or not.

5. Merit wise batches

Merit based batches is one of the attributes that is common across all the successful JEE institutes across the country. It is a proven fact that when students study with peers of relatively same intelligence level, they are able to learn more and even the teachers are able to plan their lectures well. This also creates a spirit of positive & healthy competition among the students.

6. Focus on Boards & MHT-CET as well

We at BT teach the basic concepts so well that the student understands the subject to the core and then it is just a matter of a little bit of tuning according to the different exams. We ensure that the students get thoroughly prepared for the board exams & other popular exams like MHT-CET, BITSAT, Olympiads etc as well.

After the syllabus is completed in 12th std (sometime in October), we conduct special lectures for Boards/BITSAT/CET preparation. In such lectures, students are trained as per the different pattern of these exams and mock tests of all these exams are also conducted.

Students at BT have been doing exceptionally well in Boards, BITSAT, MHT-CET & other exams.

7. Study room & Library facility

In addition to the classrooms, separate study rooms are maintained which are dedicated for students for their self studies. Students can sit in that room before/after the class or any other time to study alone or do some group studies. Students can also make use of the various reference books available in the library.

8. Counseling session after JEE result

A detailed counseling session is conducted for all the students after their JEE and other exam results are declared. In this session, along with the teachers, senior students from BT, who have joined various IITs and other top colleges, participate and guide the passing out batch on the right options to choose as per their merit and interest.

What makes BT different?

9. Academic Diary for self improvement

At BT, we strongly believe that “deliberate practice, and not just practice, makes one perfect”. With this intention, we provide an academic diary to our Comprehensive course students where they can continuously analyze (monitor) the progress of their preparation and accordingly chart out improvement plans. The diary consists of the following sections:

- **Dashboard:** On this page, parents and students can see all the details related to their Attendance, BTest Performances, Weekly Tests etc. at one glance.
- **Weekly Study Planner:** In this section, student needs to plan their studies on a weekly basis, jot down the subject wise topics which they plan to study in a particular week and keep a track of the same. Parents and teachers also monitor the same.
- **BTests analysis:** In this section, student analyze each and every test he takes at BT and jots down important learnings derived from the same.
- **Important BTest questions:** In this section, after each test, student notes down the important questions from that test which should be revised during the time of revision. This helps the student to revise all the important concepts systematically during revision.
- **Confidence builder:** In the last section, student tracks their preparation and confidence level subject wise and topic wise during revision. Student can accordingly devote more time to topics/subjects where confidence level is low.

All in all, this academic diary if used sincerely can lead to immense self improvement during the 2 year preparation and make him/her a worthy and successful student.

10. BT culture

Out of the box events like Whizz-kid (puzzle competition), felicitation function, birthday celebrations, pledge day, picnics, seminars, counseling session after JEE result etc truly make BT different.

11. Interaction with parents on child's progress

We ensure that we stay connected with parents through various ways and keep them in loop with respect to their child's progress during the preparation. Teachers regularly check the homework of students and parents are informed on the same. Parents are also sent absenteeism SMS on daily basis and test results with detailed analysis after every test. We also conduct a seminar on effective parenting where we share our views on how parents can contribute in child's studies. PTM is occasionally conducted where one to one feedback is provided to them etc. Parents can also meet teachers occasionally after lecture. Thus, parents are kept totally involved during the entire journey so that we work together for the intellectual growth of the child.

12. Insightful Seminars

In addition to the regular lectures, special seminars on various topics are conducted at regular intervals to guide the student on mental and other aspects which are important for JEE preparation along with the academics part. Special seminars/interaction sessions are also conducted with parents where we discuss with them as to what can be their role on their child's preparation. This ensures students are highly motivated and aware about all the important aspects during their JEE preparation journey.

At BT, though we were actually taught PCM, we unknowingly also underwent personality development. I feel tremendously confident and positive about my merit. I have grown a lot more confident in facing challenging problems; not just in exams, but in life as well. This confidence is nothing but BT's gift to me.

My main phase of preparation was the Comprehensive Course in 11th & 12th. These 2 years have been the most fruitful & memorable years of my life, and not only did I study PCM in great depth, but I also transformed as a person. In my opinion, JEE is not only a test of PCM skills, but also of perseverance, dedication and presence of mind.

About Engineering Entrance Exams

Exam.	Syllabus	Difficulty level	Affiliated colleges
JEE Advanced	Similar to PCM of 11th & 12th std. (All boards)	Difficult	Various IITs (Indian Institute of Technology), IIST (Indian Institute of Space Science & Technology), IISC (Indian Institute of Science), various IISERs (Indian Institute of Science Education and Research)
JEE Main	Similar to PCM of 11th & 12th std. (All boards)	Moderate	Various NITs (National Institute of Technology), IIITs (Indian Institute of Information Technology), GFTIs (Govt Funded Technical Institutes), few prominent private colleges & 15% in most Maharashtra engg. colleges
BITSAT	Similar to PCM of 11th & 12th std (All boards)	Moderate/ Easy	Various BITS (Birla Institute of Technology & Science)
MHT CET	PCM of 11th & 12th std. (HSC board)	Easy	COEP Pune, VJTI Mumbai, PICT Pune & other engg. colleges of Maharashtra

- Few other good institutes like VIT, SRM, KIT, IPU, MU etc. conduct their own exam.
- All of the exams are conducted after the 12th grade board exams.

*** If you study PCM properly, you are prepared for all competitive exams.***

Comprehensive Course at BT

To succeed in prominent engineering entrance exams, one requires a **thorough understanding of subjects: Physics, Chemistry, and Mathematics**, and the ability to solve unseen and new questions with accuracy and speed. Comprehensive course is designed in such a way that a sincere student is bound to cultivate self-confidence and acquire a grip and easy feel for all engineering entrance exams.

At BT, we offer, on average, 6 lectures of 3 hours 20 mins duration per week along with 3 Tutorial lectures of 2 hours each every alternate week. In addition to this, many doubt sessions are also conducted. After every 4 weeks, 1 test which provides common rankings to students across batches with detailed analysis is conducted. Apart from this test, small weekly tests and 1 fortnightly test is also conducted. This structure ensures effective and timely completion of the syllabus. This is further followed by 3 rounds of rigorous revisions till JEE Advanced.

About Comprehensive Course

With **2800+ hrs of Class Room/Online teaching**, more than 100 tests and many more hours of doubt sessions, this two year course for 10th passed students is truly comprehensive.

Few batches have already started with the above structure from 29th April. There is a new batch starting from **10th July**, It shall have lectures for 6 days a week for 4 hours per day. The duration of the lecture in this new batch has been increased to get this batch in sync with the earlier batches. This batch shall get in sync with the earlier batches by around December 2024, post which it shall merge with the earlier batches. The merging shall be done as per availability of seats and your merit and location preference.

Till the mid of October 2025, the students will be thoroughly taught all the topics from JEE syllabus. From middle of October 2025, we will revise and re-revise the syllabus through lectures, systematically designed sheets and tests till the JEE Advanced exam (conducted in the last week of May 2026). Also, special batches for MHT-CET/BITSAT/Boards will be floated after October 2025.

Comprehensive course formats

The 2 year Comprehensive course is offered in 2 formats:

1. Comprehensive Offline (Completely offline)
2. Comprehensive Online (Completely online)

A total of 6 lectures per week, with each lecture being 3 hours 20 minutes duration is offered in both these formats. Recordings of all the online lectures shall be available to students of both online and offline format.

Course Material & Online testing platform

BT provides all students with its detailed Course material in booklet form & an online testing platform. The course material comprises 18 booklets with detailed theory & practice questions. Solutions to all questions are provided separately. Through regular online and offline JEE-like tests, we provide a detailed & personalized analysis of the student's performance like time spent to solve each question, subject-wise comparison with toppers, topic-wise strengths & weaknesses, etc., giving vital inputs for improvement in the examination technique.

About Comprehensive Course

Doubt clearing platforms

Apart from doubts discussed during the lecture, there will be various ways through which students can get their doubts cleared. Following are the platforms which students can use for the same:

1. After the lecture

In addition to the doubts discussed during the lecture, each 3 hour lecture will be followed by a 20 mins doubt session. In these 20 mins, teachers will be available for doubt discussion (both in online and offline lecture). Students can make use of this extra time to interact with teachers personally and get their doubts solved.

2. Availability of teachers at centers:

At most centers, teachers are available throughout the day where students can discuss their doubts personally with them on a one-to-one basis.

3. Online doubt sessions:

In addition to the above, separate doubt sessions are conducted in online mode also on a daily basis. In such doubt sessions too, students can interact with the teacher live from their homes and get their doubts cleared.

4. Doubt Forum

Bakliwal Tutorials has an interactive doubt forum with exciting features where students can post their doubts and also solve the doubts of other students. Teachers also provide detailed video solutions of the doubts in the forum. The questions are easily searchable and are systematically available for reference and learning. Despite being a closed forum, meant exclusively for BT students, BT's forum is amongst the top results in Google search.

5. Telegram group

Official Telegram groups (similar to WhatsApp groups) are created batch-wise with the sole purpose of doubts discussion. Students can post their doubts in that group and fellow batch mates along with teachers will participate to solve the same. This helps students to get instant solutions to most of their doubts at almost any time of the day.

Fresh Batch Starting from 10 July

FC Road

Timing: 4.00 PM to 8.00 PM
(Live Relay) Can be Joined in Online mode also

Note: The classes in this batch shall be conducted for 4 hours per day for 6 days in a week (averagely). The syllabus of this batch shall come in sync with previously started batches by around December 2024. So, after that, students of this batch shall be merged with previously started batches, on the basis of their merit and preference and availability of seats. Details of those previously started batches are mentioned ahead in this leaflet.

Tentative Course Plan: Month by month

Month	BTest	Physics	Mathematics	Chemistry
Jun-24	1	Introduction to Forces, Introduction to Vectors, Vectors Complete(except cross product), Newton's Laws of Motion Complete(Except Pseudo Forces and not Requiring Calculus) Kinematics, kinematical equations, Friction (static and kinetic)	Number Systems & Set Theory (Without Relations), Arithmetic Progression G.P, H.P, A.G.P, General Series, AM-GM Inequality	Mole Concept (except Equivalence Concept and Redox), Atomic Structure (Thompson, Rutherford and Bohr's Model only) Atomic Structure, Gaseous State
Jul-24	2	Calculus and application of calculus in Physics	Quadratic equations, theory of equations, modulus	Periodic Properties
Aug-24	3	Constrained motion, 2D Kinematics, Projectile Motion, Circular Motion	Trigonometric Identities	Periodic Properties (cont.), Chemical Bonding (except MOT)
Sep-24	4	Circular Motion contd., Work Power Energy	Trigonometric Equations, Logarithms, Determinants	Chemical Bonding (MOT), Equivalence Concept, Redox Reactions and Redox Titration, Hydrogen
Oct-24	5	COM and Momentum	Straight Lines and Pair of Lines	Chemical Equilibrium, ionic Equilibrium
Nov-24	6	Rotational Mechanics	Circles (Except Family of Circles)	Ionic Equilibrium contd. s-block
Dec-24	7	Hydrostatics, Hydrodynamics, Viscosity	Family of Circles, $P \cdot n \cdot C$, Binomial Theorem	Thermodynamics, Introduction to Organic Chemistry, IUPAC Nomenclature
Jan-25	8	Surface Tension, Elasticity, Linear SHM+energy method, Angular SHM	Binomial Theorem contd., Complex Numbers (except Geometry)	Thermochemistry, Solid State, Structural Isomerism (except Tautomerism), Geometrical Isomerism, Optical Isomerism
Feb-25	9	Superposition, Waves on a string, Sound Waves (except Doppler Effect)	Complex Numbers (Geometry), Matrices, Solution of Triangles	Solid State contd., Boron, Optical Isomerism contd., Conformational Isomerism
Mar-25	10	Doppler Effect, Ray optics + wave optics (diffraction + polarization), Optical instruments	Functions (excluding Relations and including Inverse Trigo Functions), Limits	Boron (Compounds of Boron and Aluminum), Carbon Family, Solutions, Nitrogen, Electronic Effect, Reaction Intermediates, Acidity and Basicity, Basics of Reaction Mechanisms, SN2 Reactions
Apr-25	11	Heat and Temperature, Calorimetry, KTG	Continuity and Differentiability, Method of Differentiation, Application of Derivatives (Tangent and Normal only)	Chemical Kinetics, SN1 Reactions - All remaining nucleophilic substitution reactions, Tautomerism, Elimination Reactions
May-25	12	Thermodynamics, Heat Transfer, Electrostatics	Application of Derivatives contd., Indefinite Integration (Only basic formulae and substitution)	D&F block, NGP
Jun-25	13	Electrostatics	Indefinite Integration and Definite Integration	Coordination Compounds, SNTH and ARSN, Elimination, Aromatic Compounds
Jul-25	14	Electrostatics: Gauss Law, Conductors, Current Electricity	Area under the curve, Differential Equations, Vectors and 3D (till dot product)	Coordination Compounds contd., Aromatic compounds contd., Grignard reagent, alkyl halides
Aug-25	15	Capacitors and Magnetism	Vectors and 3D contd., Probability (Classical Probability and Probability of Compound Events)	Electrochemistry, Alkyl Halides, Aryl halides, Alcohols, Oxidation & Reduction, Phenols, POC
Sep-25	16	Magnetism, EMI, and EM Waves	Probability continued (without probability distribution), Parabola	Electrochemistry contd., Phenols contd., Ethers, Aldehydes & Ketones, Biomolecules
Oct-25	17	AC, Modern Physics, Gravitation Semiconductors, Damping, Error Analysis	Ellipse, Hyperbola, Mains topics (excluding relations, probability distribution & reasoning)	Surface chemistry, Metallurgy, Aldehydes & Ketones contd. Carboxylic acids, Nitrogen Containing organic compounds

Note: From mid October 2025, systematic revision will be done along with the test series. Special batches for MHT-CET/BITSAT/Boards will also be floated then.

Selection process for the Comprehensive Program

Entrance Program Date - On Spot (IQ based ONLINE test)

Following shall be the format for entrance process:

1. The entrance exam shall be conducted at 4 pm on the same day of registration (if you register before 1 pm).
2. If registration is done after 1 pm, the exam shall be conducted the next day at 4 pm.
3. The duration of the entrance test (IQ test) shall be 1.5 hours and it shall go live at sharp 4 pm. Kindly note, student would not be able to begin the test after 4:30 pm. A stable internet connection shall help in smooth conduction of the test.
4. After the entrance exam is completed, BT Team shall interact with the students and parents on Zoom from 5:45 pm to brief them about the course, the process ahead and shall answer their queries as well.
5. Result (which includes the type of batch and the scholarship won, if any) of the test shall be communicated within 24 hours.
6. The fee for this entrance exam would be Rs. 500 only.

Registration can be done at any of our offices or it can be done online through our website.

ONLINE PAYMENT FOR REGISTRATION

For registering online,

- You can visit https://bakliwaltutorialsiiit.com/entrance_registration
- Fill the registration form
- Select the course 'Comprehensive 2026 (JEE)'
- Pay & register
- Then select the suitable mode of payment from the given options and pay Rs. 500/-

Types of Batches

Getting the best students together is one of the attributes that is common across all the top rank producing institutes in the country. The concept of '**merit wise batches**' allows students to study with their peers of relatively similar preparedness. This maximizes the personal growth of students and even the teachers are able to plan their lectures well. This also creates a spirit of positive & healthy competition among the students.

Types of Batches: In Comprehensive course, there are **5 types** of batches.

1. **Wizards of Wizards (WOW)** - This batch shall be created from 1st week of June. Top few students as per their performance in entrance exam & 2 BTests conducted till then shall be offered this batch.
2. **Wizards** - Students who perform exceptionally well in the entrance exam are selected for the Wizards batch.
3. **Champions of Champions (COC)** - The next set of students who perform very well get selected for the COC batch.
4. **Champions** - Students who do well but are not able to get through COC are selected for the Champions batch.
5. **Challengers** - Students who do not perform well but are keen and committed to working hard are selected for the Challengers batch.

Students who do not perform even up to a bare minimum level will not be offered admission

To begin with, students will start attending the lectures in this new batch starting from 10th July. By December 2024, when the syllabus of this new batch comes in sync with the earlier batches, students of this new batch shall merge with the earlier batches which have started as per the above merit wise category. The category of batches to this new batch students shall be allotted that time as per performance in the BTests conducted from July to December.

Then the BTest shall happen once in every 4 weeks & the re-allotment will happen after three BTests as per combined performance in those three BTests. The shuffling ends after the 11th std and a final batch is allotted to every student as per their merit at the beginning of 12th std.

Assistance for College/Hostel/Transport

Assistance to Choose School/College for 11th and 12th Standard

There are some schools/colleges that have an understanding attitude towards students preparing for JEE. Taking admission in any of these colleges will enable you to devote maximum time for JEE preparation. We can share their names after the entrance exam.

Assistance to Choose a Hostel for Outstation Students

For outstation students joining BT, we have a list of some good hostels in Pune near the BT centers. Please note that BT is in no way associated (financially or otherwise) with any of these hostels. Senior BT students have stayed in these hostels and have given good feedback about them.

Do visit the hostel and ascertain whether the house keeping, security etc. is as per your expectations and all the admission related formalities need to be completed directly with the hostel only.

Assistance for Carpooling or Deciding Van Vendors

Just before your offline lectures begin, once your batches at BT have been finalised, we'll get the location details of the students interested in carpooling or in joining the van service. We shall then divide these students in small groups such that students living in the vicinity of each other and who have been allocated the same batch at BT will be in the same group. We'll then share the details of students in the same group with each other so that can then coordinate with each other and decide to either carpool or join some van service.

We have a list of some van vendors who have been providing such service to our students from a few years. Please note that BT is in no way associated (financially or otherwise) with any of these vendors. Senior BT students have given good feedback about them and hence we are recommending them. All the related financial transactions need to be done directly with the transport service provider only.

Fee Schedule & Scholarships

Scholarships based on performance in private exams.

- Scholarship of Rs. 65,000/- for students who have got National/State Rank along with 'certificate of appreciation' in NSTSE (National Level Science Talent Search Examination) organized by Unified Council, India.
- Scholarship of Rs 65,000/- for students who have got state rank & Rs 26,000/- for students who have got district rank in MTS (Maharashtra Talent Search) exam (conducted by Modern Education Society, Pune).
- Scholarship of Rs 65,000/- for top 100 AIR(All India/International Ranks), Scholarship of Rs 52,000/- for 101-500 AIR in level 2 of NSO (National Science Olympiad) or IMO (International Mathematics Olympiad) conducted by SOF (Science Olympiad Foundation).
- Scholarship of Rs 65,000/- for top 100 AIR (All India/International Ranks) in level 1 of iOM (International Olympiad of Mathematics) or iOS (International Olympiad of Science) conducted by Silverzone foundation.

Scholarships based on 10th Boards exam (All boards):

- Scholarship of Rs 20,000/- for 90-95 percentage marks, Rs 35,000/- for 95-98 percentage marks and Rs 55,000/- for above 98 percentage marks in 10th boards .

Scholarships based on entrance exam performance:

- Scholarship in range of Rs 15,000/- to 1,10,000/- will be given for outstanding performance in our Entrance Examination.

Scholarships based on performance in BTests (Tests after the course begins):

- Scholarship of Rs 80,000/- will be awarded to students with a rank in top 20, Rs 60,000/- to students with a rank from 21 to 50, Rs 50,000/- to students with a rank from 51 to 100, Rs 35,000/- to students with a rank from 101 to 150 and Rs 25,000/- to students with a rank from 151 to 200 based on the performance in our first six BTests (aggregate).

Note :

- All scholarships will be adjusted in the last instalment or the second last instalment (if scholarship amount is more than the last instalment amount) only.
- No student can avail more than one scholarship. In case a student is qualifying for multiple criteria, which ever criteria has the higher amount shall be awarded to the student.
- Except for the BT internal tests and entrance exam based scholarships, all of the above scholarships are applicable for achievements from the start of ninth grade till the end of 10th grade.
- Students who do not enroll (within a week from the day of result declaration) would not be entitled for any scholarship.
