

BAKLIWAL TUTORIALS

(Where Best students meet Best Teachers)

Leaflet for Foundation Advanced Course

(9 months course after completing Foundation Basic)

(Course will begin during the week starting from May 5th, 2025)

Available in Completely Offline, Synergy [Offline + Online] & Completely Online formats

[This leaflet is meant for internal BT students who are currently in 8th/9th std and pursuing the Foundation Basic course]

At Bakliwal Tutorials (BT), for the last 19 years, we have served thousands of impressionable students who have turned into rational, ethical, and influential beings, contributing to a better society. Throughout this journey, students and parents have graciously bestowed immense affection and support upon us. As we are about to complete our 20 years, we feel humbled and grateful. We pledge to continue innovating and providing top-quality services to our students.

Winning Team : 347 selections in JEE Advanced 2024

Director's Desk

Hearty Welcome!

We appreciate your sincerity and determination to clear the important examination ahead of you. Your decision to consider Bakliwal Tutorials to be your trainer bears ample testimony to your resolve.

Every smart individual realizes the importance of an expert help at the right juncture. Behind every Edmund Hillary triumphantly waving a flag at the pinnacle lies months of toil under the watchful eyes of a committed trainer. For the past 19 years, we at BT have been the trainers for many such successful students. So, do we have some magic formula that will open the gate of a favorite institute for you? No, we do not.

There is no substitute for all the hard work that you alone must put in. What we do have is the knowledge, expertise and the right classroom culture. Our knowledge will tell you how to channelize your efforts and how to focus your attention so that you are able to achieve maximum in minimum time. Our expertise will take you through so many simulations that when you face the real test you will have confidence of being on familiar ground. Our classroom culture will help you stay positive and motivated throughout.

We have a simple definition of our success: When you succeed, we succeed.
Once again welcome to the BT family, welcome to success!

Sincerely,
Vaibhav Bakliwal

Mr. Vaibhav Bakliwal did his B.Tech in Mechanical Engineering from IIT Bombay after which he worked with TATA motors for a year. But his penchant for teaching made him build Bakliwal Tutorials (BT) in April 2005. BT began with the aim to help students preparing for JEE, realize their dreams; and to make sure that the preparation process itself becomes a fun-filled and growth-involving experience.

The institute is successfully doing so and is now training more than 4000 students studying in different courses at its various centers. BT is a leading institute for JEE and has produced many Maharashtra Toppers and single digit All India Ranks.

Apart from his love for studies and students, he also loves music, solving puzzles and playing chess. He has been Rajasthan Under-18 Chess champion and has played in many National level championships.

He was also class representative for his batch, General Secretary for the Mechanical Department and board games secretary for the institute at IIT Bombay.

Vaibhav Sir very deservedly is also the Vice President (Academics) of the Coaching Federation of India (CFI).

He has truly been an inspiration to thousands of students aspiring for the coveted IITs.

Committed to create ethical, rational & powerful human beings who will bring a positive difference to the society

Various exam details

Few prominent Government approved competitive exams for Foundation Advanced students

Exam	Eligibility criteria	Syllabus	Difficulty level	Tentative month (for filling form)
IOQM / RMO	For students of 8th - 10th standard	Mathematics syllabus upto 10th std. (All Boards)	Difficult	June
DHBBVC	For students of 9th standard	Science syllabus upto 9th std. (All Boards)	Moderate	June
NSEJS	For students of 9th & 10th standard	Science syllabus upto 10th std. (All Boards)	Difficult	July
NSEA (Group B)	For students of 10th standard	Physics, Mathematics & elementary Astronomy syllabus upto 10th std. (All Boards)	Difficult	July

During the Foundation Advanced course, we conduct special lectures to prepare students for the above exams as well. Details of these lectures are mentioned ahead in the leaflet. With improved thinking abilities & strong fundamentals, students are able to do well in various competitive exams later.

Few popular Engineering entrance exams

Exam name	Syllabus	Difficulty level	Affiliated colleges
JEE Advanced	Similar to PCM of 11th & 12th std. (All Boards)	Difficult	Various IITs (Indian Institute of Technology) IIST (Indian Institute of Space Science & Technology) IISc. (Indian Institute of Science)
JEE Main	Similar to PCM of 11th & 12th std. (All Boards)	Moderate	Various NITs (National Institute of Technology) IIITs (Indian Institute of Information Technology) GFTIs (Govt Funded Technical Institutes) Few prominent private colleges & 15% in most Maharashtra engg. colleges
BITSAT	Similar to PCM of 11th & 12th std (All boards)	Moderate/ Easy	Various BITS (Birla Institute of Technology & Science) located at Pilani, Goa & Hyderabad
MHT-CET	PCM of 11th & 12th std. (HSC Board)	Easy	COE Pune, VJTI Mumbai, PICT Pune & other Engg. colleges of Maharashtra

- A few other institutes like VIT, SRM, Manipal, etc. conduct their own exam.
- All of the exams are conducted after the 12th grade board exams.

If you study PCM properly, you are prepared for all competitive exams.

About Foundation Advanced Course

Course details

Foundation Advanced course is offered to students who successfully complete the Foundation Basic course at BT. Foundation Advanced course helps students build on the concepts of Physics, Chemistry, Mathematics, Logic, Coding which they have learned during the Basic course. Foundation Advanced course will ensure that students raise their level in these subjects and build on the momentum that they are carrying from the Foundation Basic course.

Like Foundation Basic, we shall teach Physics, Chemistry, Maths, Logic & Coding in Foundation Advanced course too. Biology is offered as an additional optional subject in Foundation Advanced course just like it was offered in the Foundation Basic course.

2 lectures per week shall be offered in the Foundation Advanced course. Each lecture shall be of 3 hours & 20 mins duration, with a 15 mins break in between. In addition to these 2 lectures per week, a few special lectures will also be conducted for **preparation of important exams like Dr. Homi Bhabha, NSEJS and IOQM** etc.

Course formats

Foundation Advanced course formats:

The Foundation Advanced course is offered in 3 formats:

1. Foundation Advanced Offline (Completely offline)
2. Foundation Advanced Synergy (Offline + Online)
3. Foundation Advanced Online (Completely online)

1. Foundation Advanced Offline:

In this format, both the lectures per week will be conducted in classroom coaching mode (offline mode). The student can choose a center of his/her choice (out of the options available in this format in his/her merit-wise category).

2. Foundation Advanced Synergy:

In this format, every week, 1 lecture shall be conducted in classroom coaching mode at our various centers and 1 lecture shall be conducted in online mode. Online lectures are live lectures as per the batch timing, which the students can attend from the comfort of their homes. For classroom lectures, student can choose a center of his/her choice (out of the options available in this format in his merit-wise category).

3. Foundation Advanced online:

In this format, students shall attend both lectures per week online. At BT, the online lectures are live and also lively where students participate via chat and by un-muting themselves responsibly.

If students wish, they will be allowed to shift from one format to another at any time during the course, based on seat availability.

About Foundation Advanced Course

Course material & online testing platform

BT provides its own course material and recommends a few books for additional study which the student needs to arrange. It also provides an online testing platform which is used to conduct various practice tests and online BTests. This Online platform provides a detailed & personalised analysis of the student's performance like time spent to solve each question, subject wise comparison with toppers, topic wise strength & weaknesses etc. giving vital inputs for improvement in the examination technique.

Students opting for Completely offline or synergy format will be requested to collect the study material from their nearest BT center in Pune. Students opting for a completely online format will get the study material via courier free of cost (within India). Overseas students will be expected to bear the courier charges.

Doubt clearing platforms

Apart from doubts discussed during the lecture, there will be various ways through which students can get their doubts cleared. Following are the platforms which students can use for the same:

1. **20 mins reserved for doubts after each lecture:**

In addition to the doubts discussed during the lecture, each 3 hour lecture will be followed by a 20 mins doubt session. In these 20 mins, teachers will be available for doubt discussion (both in online and offline lecture). Students can make use of this extra time to interact with teachers personally and get their doubts solved.

2. **Availability of teachers for doubts at centers for entire day:**

At all centers, teachers dedicated for doubts are available throughout the day where students can discuss their doubts personally with them on a one-to-one basis.

3. **Online doubt sessions:**

In addition to the regular weekly lectures, we shall also conduct online doubt sessions daily where students can interact with the teacher and get his/her doubts cleared.

4. **Doubt Forum:**

Bakliwal Tutorials has an interactive doubt forum with exciting features where students can post their doubts and also solve the doubts of other students. Teachers also provide detailed video solutions of the doubts in the forum. The questions are easily searchable and are systematically available for reference and learning. Despite being a closed forum, meant exclusively for BT students, BT's doubt forum is amongst the top results in Google search.

5. **Telegram Group:**

Official Telegram groups (similar to WhatsApp groups) are created batch-wise with the sole purpose of doubts discussion. Students can post their doubts in that group and fellow batch mates along with teachers will participate to solve the same. This helps students to get instant solutions to most of their doubts at almost any time of the day.

About Foundation Advanced Course

Online Interaction with students & parents

In order to guide the students and parents about the Foundation Advanced course and answer their queries, the following session is planned for them:

Date - 12th January 2025 (Sunday)

6:00 to 7:30 pm: Logic revision lecture for students by Vaibhav Bakliwal Sir

7:45 to 9:00 pm: Q & A session for parents & students about the Foundation Advanced course

Admission Process

Admission to the Foundation Advanced course will be based on the student's performance in the 4 BTests conducted during the Foundation Basic course till date. The following weights will be assigned to each BTest performance:

- BTest 1** - 20% weightage
- BTest 2** - 20% weightage
- BTest 3** - 20% weightage
- BTest 4** - 40% weightage

In case you were absent for any of these tests, the score for the absent test will be assumed to be the minimum score amongst all the tests for which you were present.

Note that a separate list of students who gave the BTests online and offline will be compiled and the available seats (and scholarships and batches as well) will be split amongst offline and online students in proportion to their total numbers.

For now, all the students of the Foundation Basic course will be asked to fill up a **Batch Preference Form** (for their choice of slot for the Refresher Program & offline/online batches after the Refresher Program get over). The details about the Refresher Program is mentioned ahead in the leaflet.

Based on merit, only selected Foundation Basic students will be offered this course. To start with, top students will be offered the Wizards batch and next set of students will be offered COC and Champion batches for the Refresher Program.

The students will be informed about their selection for this course, on **16th January 2025 (Thursday)** via email. These students need to complete the admission formalities for the Foundation Advanced course latest by **26th January, 2025 (Sunday)**. After 26th January, a few waitlisted students may be offered the admission depending upon the seats availability.

For students who do not qualify for the Foundation Advanced course for now, we shall conduct an **Online Camp** (free of cost) for them in the month of April (details of the same are mentioned ahead in this leaflet).

About Foundation Advanced Course

Start date of the course

The Foundation Advanced Course will begin during the week starting from **May 5th, 2025**.

However, there will be a '**Refresher Program**' in the month of March/April 2025, the details of which are given below.

Details about the Refresher Program

In this Refresher Program, we shall conduct a quick revision of the Foundation Basic course for the Physics, Chemistry, and Mathematics subjects.

The Refresher Program will be conducted in 2 slots:

Slot 1	Slot 2
Date : 24th March to 13th April 2025 Time : 5:30 to 8:50 PM Lectures Days : Tue, Thu, Sat Lecture Frequency : 3 lectures per week Mode : Online	Date : 7th April to 27th April 2025 Time : 5:30 to 8:50 PM Lectures Days : Mon, Wed, Fri Lecture Frequency : 3 lectures per week Mode : Online

Students can choose in which slot they wish to attend the Refresher Program.

The Refresher Program will be followed by a 3-hour test (Refresher BTest) on **Sunday, 27th April 2025**, for both slots. This test shall be conducted in **offline mode** (for students who want offline/synergy batches) and **online mode** (for students who want completely online batches).

The Refresher Program and Refresher BTest are important as they will carry 20% weightage in the first batch reallocation process for the Foundation Advanced course. For this batch reallocation process, 80% weightage will be given to BTest-1 scheduled on **Sunday, 29th June 2025** and 20% weightage to the Refresher BTest scheduled on **Sunday, 27th April 2025**.

Since, the Refresher Program will be conducted only in Online Mode, the strength of batches in this program may be slightly more than usual.

About Foundation Advanced Course

Details about the Online Camp for students who are not offered the Foundation Advanced course

For students who do not qualify for the Foundation Advanced course, for now, we shall conduct a 3-week **Online Camp** in the month of April 2025. In this online camp, there will be an optimised recap (free of charge) of the Foundation Basic course for Physics, Chemistry, Mathematics subjects followed by a Camp BTest at the end.

Online Camp details

Date : **7th April to 27th April 2025**
Time : 5:30 to 8:50 PM
Lectures Days : Monday to Saturday
Lecture Frequency : 6 lectures per week
Lecture Mode : Online
Camp BTest date : Sunday, 27th April 2025

A few students might be offered the Foundation Advanced course after the completion of this online camp.

The Online Camp BTest will carry 70% weightage in the selection process for the Foundation Advanced course. The remaining 30% weightage will be based on the performance in the first 4 BTests conducted during the Foundation Basic course.

Students getting selected after the online camp will be offered only the Champions or COC+Champions batches in the Foundation Advanced course.

Course structure from 5th May (Foundation Advanced batch)

Every 8 weeks, there will be 4 Physics, 4 Chemistry, 4 Maths, 1 Logic, 1 or 2 Coding (alternately) & 4 Biology lectures (optional) each of 3 hours 20 mins duration and 1 BTest of 3 hrs. In addition, separate doubt sessions are also conducted regularly (both online and offline) where a student gets an opportunity to get his/her doubts solved on a one to one basis.

About Foundation Advanced Course

Tentative Course Plan (starting from 5th May 2025)

Physics	Mathematics	Chemistry	Logic	Coding	Biology (optional)	
Foundation Basic Revision - Force and Laws of Motion	Quadratic Equations 1	States of Matter, Gaseous State, Gas Laws, Ideal Gas Equation	Mathematical Games	Foundation Basic Revision	9th std.	10th std.
Foundation Basic Revision - Work, Power and Energy	Quadratic Equations 2	Dalton's Law, Graham's Law, Kinetic Molecular Theory, Maxwell Distributions			Nutrition in Plants, Nutrition in Animals	Nutrition in Animals, Transportation & circulation
BTest - 1 (Sunday 29th June' 2025)						
Vectors and their applications in physics	Circles	Chemical Equilibrium, Dynamic Equilibrium, Degree of Dissociation Kc, Kp	Invariants	Classes (definition, attributes, constructors, & variables), Classes (objects, function & methods)	Respiration in Animals, Tissue	Respiration, Excretion, Cell Biology
Optics - Reflection of light and mirrors etc.	Permutation & Combination	Simultaneous Equilibrium, Dependence of Keq on Temperature, Le-Chatlier Principle and its Application				
BTest - 2 (Sunday 24th August' 2025)						
Refraction of light	Trigonometry 1	Acids & Bases, Ostwald Dilution Law	Analytical & Vertical thinking Caselets	Elementary data structures (tuples, dictionaries & linked lists)	Control and coordination	Tissue, Control & coordination with sense organ
Lenses, Human eye, Fluids	Trigonometry 2	Common Ion Effect, pH Scale Properties of Water				
BTest - 3 (Sunday 19th October' 2025)						
Fluids continued, Electrostatics	Straight Lines	pH Calculation, Polyprotic acid, Buffer Solutions	Assorted puzzles	Elementary data structures (stacks, queues, & trees), Sorting algorithms (Common Sorting algorithms)	Cell Biology, Heredity and variation	Heredity and Variation, Reproduction
Electrostatics, Current electricity	Set Theory	Acidic, Basic Buffer, Buffer Range				
BTest - 4 (Sunday 14th December' 2025)						
Current electricity, Revision of topics	Binomial Theorem	Introduction to Organic Chemistry, VBT, Hybridisation	Revision	Revision	Revision	Revision
Revision of topics	Probability	Classification of Organic Compound, Degree of Unsaturation				
BTest - 5 (Sunday 8th February' 2026)

About Foundation Advanced Course

Special support lectures for Olympiad & DHBBVC preparation

In addition to the regular lectures, special lectures will be conducted for preparation of few important exams like Mathematics Olympiad (IOQM), Junior Science Olympiad (NSEJS), Dr. Homi Bhabha (DHBBVC) etc., as per the table below:

Exam Name	Tentative Exam Date	Eligibility	Subjects	Number of lectures	Lecture Months	Mock Tests
IOQM (Indian Olympiad Qualifier in Mathematics)	First Week of September	8th to 10th Standard	Mathematics	13 - 14	April to August	3
NSEJS (National Standard Examination in Junior Science)	Fourth Sunday of November	Class 10 and lower	Science	6 Lectures for each of Physics, Chemistry and Biology for all these exams	August to November	3
Dr. Homi Bhabha Balvaidnyanik Competition (DHBBVC)	Mid November	Class 9	Science			

Due to space constraints, based on the BTest performance during the course, top few students will be selected to attend these special lectures live. For the rest of the students, we shall share the recording of these lectures. However, if any student is highly interested, based on space availability, we will allow him/her to attend these lectures live.

There will be no separate charges for these special lectures.

[Director's Desk](#)[Outstanding Results](#)[Various exam details](#)[About course](#)[Online Interaction](#)[Biology as an Optional Subject](#)[Location & Batches](#)[Fees & Scholarships](#)[FAQs](#)[Contact Details](#)

Biology as an optional subject in the Foundation Advanced course

Opting for Biology will be optional for students. Students who are currently unclear in general which field to choose after 10th std, can keep their options open by opting for Biology along with the other subjects (Physics, Chemistry, Math, Logic & Coding) in the Foundation Advanced course. Students in 10th std will also be benefited with the Biology subject for their boards preparation.

Biology Course Plan

For 9th std. students

- Biology lectures shall be conducted averagely twice a month.

- | |
|----------------------------|
| • Nutrition in Plants |
| • Nutrition in Animals |
| • Respiration in Animals |
| • Tissue |
| • Control and coordination |
| • Cell Biology |
| • Heredity and variation |

For 10th std. students

- Biology lectures shall be conducted averagely twice a month.

- | |
|---|
| • Nutrition in Animals |
| • Transportation & circulation |
| • Respiration |
| • Excretion |
| • Cell Biology |
| • Tissue |
| • Control & coordination with sense organ |
| • Heredity and Variation |
| • Reproduction |

Fee: An additional fee of Rs 9,000/- shall be charged for students opting for Biology in the Foundation Advanced course.

Note: BT shall leave no stone unturned in ensuring that same quality teaching is maintained in Biology as well like all the other subjects.

Fee Schedule & BT Scholarships

Scholarships

Scholarships based on performance in BTests of Foundation Basic Course

These scholarships are awarded based on the student's performance in the 4 BTests conducted during the Foundation Basic course till date. The following weights will be assigned to each BTest performance:

- BTest 1** - 20% weightage
- BTest 2** - 20% weightage
- BTest 3** - 20% weightage
- BTest 4** - 40% weightage

In case you were absent for any of these tests, the score for the absent test will be assumed to be the minimum score amongst all the tests for which you were present.

Rs. 24,000	For students with a rank in top 10
Rs. 18,000	For students with a rank from 11 to 50
Rs. 11,000	For students with a rank from 51 to 100
Rs. 7,000	For students with a rank from 101 to 200
Rs. 5,000	For students with a rank from 201 to 300
Rs. 3,000	For students with a rank from 301 to 500

Note: Note that the top ranks mentioned above include students attending the course in offline as well as online mode. Students in each category will be chosen from both these formats in ratio of the students attending the course in online or offline format.

On the basis of performance in the BTests of the Foundation Advanced course, reasonable scholarships shall be offered for the next course at BT.

Scholarships based on performance in Government approved Olympiads

Rs. 49,000	For students who have cleared Stage 1 of Olympiads (NSEJS)
Rs. 41,000	For students who have cleared RMO Stage 2 of Maths Olympiad.
Rs. 38,000	For students who have cleared IOQM Stage 1 of Maths Olympiad.

[Director's Desk](#)[Outstanding Results](#)[Various exam details](#)[About course](#)[Online Interaction](#)[Biology as an Optional Subject](#)[Location & Batches](#)[Fees & Scholarships](#)[FAQs](#)[Contact Details](#)

Fee Schedule & BT Scholarships

Scholarships based on performance in Private exams

Rs. 9,000	For students who have secured a rank in top 50 in Whizzkid* (BT's own puzzle competition).
Rs. 27,000	For top 50 AIR (All India Ranks) in Level 2 of IMO (International Mathematics Olympiad) or NSO (National Science Olympiad) conducted by SOF (Science Olympiad Foundation).
Rs. 16,000	For top 51 - 100 AIR (All India Ranks) in Level 2 of IMO (International Mathematics Olympiad) or NSO (National Science Olympiad) conducted by SOF (Science Olympiad Foundation).
Rs. 22,000	For students who have cleared the Mega Final Exam of Institute for Promotion of Mathematics (IPM) & secured Rank between 1 to 10.
Rs. 16,000	For students who have got National Rank till 50 in NSTSE (National Level Science Talent Search Examination) organized by Unified Council, India.
Rs. 11,000	For students who have got National Rank from 51 to 100 in NSTSE organized by Unified Council, India.
Rs. 10,000	For students who have got State Rank in MTSE (Maharashtra Talent Search Examination) conducted by Modern Education Society.
Rs. 5,000	For students who have got District Rank in MTSE (Maharashtra Talent Search Examination) conducted by Modern Education Society.

* To know more about **Whizzkid** click here:- <https://www.bakliwaltutorialsit.com/events/45>

Scholarships based on Dr. Homi Bhabha Balvaidnyanik exam conducted by MSTA/GBSTA

Rs. 38,000	For students getting Gold Medal in the exam
Rs. 27,000	For students getting Silver Medal in the exam
Rs. 22,000	For students getting Bronze Medal in the exam
Rs. 16,000	For students clearing Stage I - Theory Competition in the exam

Note :

- No student can avail more than one scholarship. In case a student is qualifying for multiple criteria, which ever criteria has the higher amount will be awarded to the student.
- All the above scholarships are applicable for the achievements after April 2023 till the beginning of the course (May 2025).
- Students who do not enroll within the mentioned timeline (26th January, 2025) will not be entitled for any scholarship.

FAQs For Foundation Advanced Course

Q1. What is the duration of Foundation Advanced Course? When does it begin and end?

Ans. Foundation Advanced is a 9-month course. Course will begin during the week starting from May 5, 2025 & ends in mid Feb 2026. However, there will be a 'Refresher Program' in the month of March/April 2025.

Q2. What is the deadline for confirming admission in Foundation Advanced course?

Ans. For the selected students, the last date to confirm the admission will be 26th January, 2025.

Q3. What about students who do not qualify for the Foundation Advanced course?

Ans. For students who do not qualify for the Foundation Advanced course, for now, we shall conduct a 3-week **Online Camp** in the month of April 2025 (7th April to 27th April 2025). In this online camp, there will be an optimised recap (free of charge) of the Foundation Basic course for Physics, Chemistry, Mathematics subjects followed by a Camp BTest at the end. Students performing well in that test may then be offered the Foundation Advanced course. The online camp will have 6 lectures per week (Monday to Saturday) from 5:30 to 8:50 PM.

If student does not qualify for Foundation Advanced course even after this online camp, we strongly recommend that they repeat the Foundation Basic course and strengthen their fundamentals. The fee for such students who repeat the Foundation Basic course is Rs. 30,000/-.

Q4. What after Foundation Advanced course?

Ans. The students going to 11th standard then should join our 2-year comprehensive course. For the students going to 10th standard then, they are advised to join our 7-month course Foundation Advanced plus. This course will not only keep them in sync with JEE preparation and make them ready for the 2-year Comprehensive course from next year but also shall help them in their 10th boards' preparation.

Q5. We have heard that BT encourages a few outstanding students from 9th/10th std to attend 1 subject out of P/C/M with 11th standard students. Is that true?

Ans. Yes, this course is called the 'Special Comprehensive course'. Many top rankers from BT have benefitted from this concept. For example, Vedang Asgaonkar (JEE Adv 2020, AIR 7), Omkar Thakoor (IIT-JEE 2010, AIR 11), Soham Joshi (JEE Adv 2021, AIR 46), Vedant Talegaonkar (JEE Adv 2022, AIR 89), Kalpesh Krishna (JEE Adv 2014, AIR 93), Shlok Pande (JEE Adv 2021, AIR 94), Shubhranil C.(JEE Adv 2021, AIR 157), Sahil Agrawal (IITJEE 2010, AIR 176), T. Akshay (JEE Adv 2016, AIR 182) & Arnhav Datar (JEE Adv 2018, AIR 200) are few toppers who had benefitted from this concept. In fact, all of them except Vedant Talegaonkar cleared Physics Olympiad 1st round as well, with Soham, Vedang, Omkar, Sahil, Arnhav & T.Akshay cleared 2nd round also. Vedang scored a perfect 100 percentile in Physics in JEE Main 2020. Vedang Asgaonkar, Kalpesh Krishna, T. Akshay & Arnhav Datar are toppers at their respective IITs as well.

Top students of the Foundation Basic & Foundation Advanced course (based on their performance in BTests) are offered this special program next year after completing their respective courses.

What makes BT different?

1. Unparalleled Genuine Results: Power of BT!

Unlike most institutes which do not even publish their result on their websites and thrive on fake results, we believe in absolute transparency. All the ranks mentioned by us belong to the general category unless otherwise specified clearly. All the results correspond to our classroom students. We have also given contact details of all our IIT-JEE/JEE Advanced qualified students till date, on our website, in the results section. We are yet to come across an institute in entire India which has the honesty, courage & confidence of declaring their results, consistently year after year, in such a transparent manner.

2. Offline & Online tests with detailed analysis

Offline and Online Tests at BT (called BTests) are thought provoking and bear close resemblance to the actual JEE paper. We analyse the tests from a student's perspective providing detailed and in-depth analytics on time management and test taking strategy. The analytics for the Online test are available immediately after test submission. The analytics of the Offline test are emailed in a couple of days.

Some of the parameters on which students' performance is analysed are mentioned below:

- **Subject Analysis:** Students get to know their performance in each subject along with time spent per subject per question.
- **SWOT Analysis:** Students can clearly see the topics in which they are strong or weak and then can easily decide the time to be spent on each topic going forward.
- **Analysis as per question type:** Questions in each test are tagged as per various types (single option correct, multiple options correct, integer type etc.) and students get to know how they fared under each type giving them an understanding of where they need to improve.
- **Attempt Analysis:** A unique analysis of questions attempted by the students' according to their difficulty level is provided to the students' to give an understanding of whether the easier questions were attempted earlier than the difficult questions or not.

3. Merit wise batches

Merit based batches is one of the attributes that is common across all the successful JEE institutes across the country. It is a proven fact that when students study with peers of relatively same intelligence level, they are able to learn more and even the teachers are able to plan their lectures well. This also creates a spirit of positive & healthy competition among the students.

4. Focus on Boards & MHT-CET as well

We at BT teach the basic concepts so well that the student understands the subject to the core and then it is just a matter of a little bit of tuning according to the different exams. We ensure that the students get thoroughly prepared for the board exams & other popular exams like MHT-CET, BITSAT, Olympiads etc as well. After the syllabus is completed in 12th std (sometime in October), we conduct special lectures for Boards/BITSAT/MHT-CET preparation. In such lectures, students are trained as per the different pattern of these exams and mock tests of all these exams are also conducted. Students at BT have been doing exceptionally well in Boards, BITSAT, MHT-CET & other exams (details of the same have been updated on the website link: https://www.bakliwaltutorialsiiit.com/result_other_exam/).

What makes BT different?

5. Well Equipped Classrooms, Study Room & Library Facility

BT offers state of the art infrastructure at each of their centre with spacious, AC ventilated classrooms having Digital Boards. In addition to the classrooms, separate study rooms are maintained which are dedicated for students for their self study. Students can also make use of the various reference books available in the library.

6. Counseling Session after JEE Advanced Result

A detailed counseling session is conducted for all the students after their JEE and other exam results are declared. In this session, along with the teachers, senior students from BT, who have joined various IITs and other top colleges like NIT's, BITS etc. participate and guide the passing out batch on the right options to choose as per their merit and interest.

7. Student Mentorship Program

Each and every student at BT is assigned a personal Mentor. These mentors are young trainee teachers at BT, who have recently passed out from top colleges like IIT/NIT etc. Mentor keeps meeting the student at regular intervals, discusses student's academic activities in detail including the daily study routine. The mentor also keeps a check of the progress of the student and connects with the parent to discuss the same. Basically, the mentor plays the role of an elder brother/sister to the student and guides the student academically and non academically in this journey empathetically.

8. BT Culture

Out of the box events like Whizz-kid (Puzzle Competition), Felicitation Function in which meritorious students are awarded with Cash Prizes, Staff birthday celebrations, Picnic with 12th passing out students along with the faculty, Seminars, Counselling Session after JEE Advanced result etc truly make BT different.

9. Interaction with parents on child's progress

We ensure that we stay connected with parents through various ways and keep them in loop with respect to their child's progress during the preparation. Parents are also sent absenteeism SMS on daily basis and test results with detailed analysis after every test. We also conduct a seminar on effective parenting where we share our views on how parents can contribute in child's studies. PTM is occasionally conducted where one to one feedback is provided to them etc. Parents can also meet teachers occasionally after the lectures. Thus, parents are kept totally involved during the entire journey so that we work together for the intellectual growth of the child.

10. Insightful Seminars

In addition to the regular lectures, special seminars on various topics are conducted at regular intervals to guide the student on mental and other aspects which are important for JEE preparation along with the academics part. Special seminars/interaction sessions are also conducted with parents where we discuss with them as to what can be their role on their child's preparation. This ensures that students are highly motivated and aware about all the important aspects during their JEE preparation journey.

Toppers Speak

Akshat Chugh

JEE Adv 2017 AIR 2 - Maharashtra Topper

All those hours spent in class studying, discussing and laughing cannot be forgotten. I have no doubt that I would not be able to get even a triple digit rank without BT. The teachers here are truly amazing. They know exactly what works and exactly when to push students. I had never seen such passionate teachers before joining BT.

Akshat Chugh
(AIR-2)

Vedang Asgaonkar

JEE Adv 2020 AIR 7 - Maharashtra Topper

Vaibhav Bakliwal sir is the most passionate and enthusiastic visionary I have met. His mentoring and ~~mentat~~ preparation strategy helped me remain calm and composed during my preparation and exam.

The teachers in BT are very dynamic and guide students in all aspects of preparation.

I wish to express my gratitude towards the entire BT team

"Lucky To Be A BTian"

- Vedang Asgaonkar
AIR 7 (2020)

Pratik Sahoo

JEE Adv 2022 AIR 7 - Maharashtra Topper

What I will remember the most about BT is the culture. The breezy lectures that helped us study without pressure, the friendly and close teachers who were also our mentors, the close-knit social circle of the students; all of these are what make BT special. I will always remember these crucial, yet enjoyable years.

Pratik S

Omkar Thakoor

IIT JEE 2010 AIR 11 - Maharashtra Topper

I am very grateful to my teachers at BT-Vaibhav sir, C.M. Sir. They have taught us so well, I wonder if I will ever get better teachers, even @ IITB! Now, it has been a long association of 4 yrs, that I have been at BT and memories of this bond will help me get going through rough and tough patches of life.

Omkar Thakoor
(Omkar Thakoor)

Karthik Mahesh

JEE Adv 2015 AIR 22 - Maharashtra Topper

Especially Vaibhav sir, whose mental preparation techniques gave me confidence that I really could crack IIT. He also taught me how to learn physics, and how to really dive into a topic. If I got a chance to do this again, I surely would, and would strive to do my best, as was the most important lesson given by BT to me.

Karthik Mahesh

Kashvi Khurana

JEE Adv 2024 AIR 39 - Maharashtra Girls Topper

My journey here at BT was a very memorable and fantastic road. I found a friend group with the same fun, and we would resonate so well and helped each other grow and learn. The teachers here were absolutely wonderful, with deep conceptual knowledge and an incredible eagerness to help the students with doubts.

Soham Joshi

JEE Adv 2021 AIR 46 - Pune Topper

I joined BT in 8th grade for the foundation course which helped me appreciate logical reasoning and I pursued the spld comp course in physics for 2 years (9th, 10th) which helped me appreciate the power of fundamental thinking. In all these courses all the teachers I have encountered & all my peers have been very friendly and willing to discuss anything freely, all thanks to this wonderful culture of BT.

JEE Adv. AIR 46
KVPY AIR 39

Rohan Prinja

IIT JEE 2011 AIR 53 - Pune Topper

I have no idea what might have happened on 10th April 2011, had I never joined BT. Maybe I wouldn't have qualified at all... maybe I would have narrowly qualified with a rank in the 9000s. It's impossible to predict. But one thing is of sure - These two years spent preparing for JEE would surely not have been as much fun!

These two years in BT were, quite simply, AWESOME. I studied the hardest I had ever in my life, and I also did the most to enjoy myself these two years. And if I could turn back time, I'd do it again, no doubt.

Toppers Speak

I have studied at Baktiwal Tutorials-IIT for 4 years starting at my XI standard. What a journey it has been! All the BT teachers are amazing who take infinite pains teaching us all there is to know and guiding us in understanding the various concepts. They have been with us at all decisive moments during last 2 years. They never hesitated to help us.

Abhro Bhuniya
JEE Advanced AIR-54

Abhro Bhuniya JEE Advanced 2016 AIR 54 - Pune Topper

My main phase of preparation was the Comprehensive Course in 11th & 12th. These 2 years have been the most fruitful & memorable years of my life, and not only did I study PCM in great depth, but I also transformed as a person. In my opinion, JEE is not only a test of PCM skills, but also of perseverance, dedication and presence of mind.

Vedant Talegaonkar JEE Advanced 2022 AIR 89 - Pune Rank 2

I had joined BT way back in class 8, as a little boy... Perhaps the best way would be to expand "BT" differently.
Thank You BT for
'Brilliant' Teachers,
me 'Beautiful' Team, and most importantly,
'B'lessful 'T'imes!!! 😊

-Kalpesh Krishna

Kalpesh Krishna JEE Advanced 2014 AIR 93 - Pune Topper

My journey with BT has truly changed my life forever and helped me to pull out my strengths. BT has the power to turn you into something better than you were before, that's for sure.

Thank You BT!!

Aditya Sai V.
[AIR 232, Adv. 2024]

Aditya Sai Vemparala JEE Advanced 2024 AIR 232

The teachers at BT were always enthusiastic to teach which made me excited to learn. The type of healthy competition I faced at BT couldn't be recreated anywhere else. I am thankful to both my teacher and peers for this experience and also my success.

If given the opportunity, I would do it all over again.

Abhinav Sharda JEE Advanced 2024 AIR 338

Moreover, BT's Test structure and batch shuffling system made me well acquainted with exam pressure and anxiety, which helped me immensely on the exam day.

I am extremely grateful to Baktiwal Tutorials for helping me fulfil my goals.

Arnav Pandit JEE Advanced 2024 AIR 965

The several hundreds of offline and online tests, thousands of challenging problems I solve with you and day which I invested studying with you are the ones which I will surely never forget.

You have become an important part of my life. Thank you so much for everything.

Siddhant

Siddhant Patil JEE Advanced 2024 AIR 1289

The quality of assignments provided by teachers always kept my mind sharp and their patient doubt clearing helped in strengthening my concepts.

BT is one of the rare institutes where topics are not spoonfed but instead stepping stones are provided by the teachers.

- Naman Agarwal
(AIR-81)

Naman Agarwal

Naman Agarwal JEE Advanced 2021 AIR 81

I got an AIR of 5883 in my 1st attempt. I knew I had not worked as hard as hard in my 11th and 12th and hence hadn't performed to the best of my potential. This is when I was wisely advised by VB sir to give it another shot and join the jighansh batch at BT.

KEVIN S DANIEL
AIR 92 - JEE 12

Kevin

Kevin Daniel IIT JEE 2012 AIR 92 - Pune Topper

I thank the entire team of Baktiwal Tutorials for their support and guidance.

I was also benefitted by the logic classes in the foundation course.

Parth Shettiwar
JEE Adv. AIR 170 - 170
Parth.

Parth Shettiwar JEE Advanced 2017 AIR 170

Finally, I would like to thank the entire BT team for supporting me and believing in me. Choosing BT was the best decision of my life and I will remain forever grateful to BT!

Punit Chaudhari
Punit

Punit Chaudhari JEE Advanced 2024 AIR 376

I joined BT in 9th grade and it has been a wonderful journey. I want to thank all the teachers, the staff and my peers for their constant support. The environment at BT helps promote healthy competition among students. The teachers are very approachable and open to doubt solving 24-7. The systematic tests (and their analysis) helped me in highlighting my weaknesses. Choosing BT has been the right choice.
