Leaflet for Special Comprehensive Course

(3/4 years course for few selected students of Foundation batches)

(Course will begin from end of April 2025 to May 2027/2028)

[This leaflet is meant for some selected internal BT students who are currently in 8th/9th std and pursuing the Foundation Basic or Foundation Advanced course]

At Bakliwal Tutorials (BT), for the last 19 years, we have served thousands of impressionable students who have turned into rational, ethical, and influential beings, contributing to a better society. Throughout this journey, students and parents have graciously bestowed immense affection and support upon us. As we are about to complete our 20 years, we feel humbled and grateful. We pledge to continue innovating and providing top-quality services to our students.

Director's Desk

Hearty Welcome!

We appreciate your sincerity and determination to clear the important examination ahead of you. Your decision to consider Bakliwal Tutorials to be your trainer bears ample testimony to your resolve.

Every smart individual realizes the importance of an expert help at the right juncture. Behind every Edmund Hillary triumphantly waving a flag at the pinnacle lies months of toil under the watchful eyes of a committed trainer. For the past 19 years, we at BT have been the trainers for many such successful students. So, do we have some magic formula that will open the gate of a favorite institute for you? No, we do not.

There is no substitute for all the hard work that you alone must put in. What we do have is the knowledge, expertise and the right classroom culture. Our knowledge will tell you how to channelize your efforts and how to focus your attention so that you are able to achieve maximum in minimum time. Our expertise will take you through so many simulations that when you face the real test you will have confidence of being on familiar ground. Our classroom culture will help you stay positive and motivated throughout.

We have a simple definition of our success: When you succeed, we succeed.
Once again welcome to the BT family, welcome to success!

Sincerely,
Vaibhav Bakliwal

Mr. Vaibhav Bakliwal did his B.Tech in Mechanical Engineering from IIT Bombay after which he worked with TATA motors for a year. But his penchant for teaching made him build Bakliwal Tutorials (BT) in April 2005. BT began with the aim to help students preparing for JEE, realize their dreams; and to make sure that the preparation process itself becomes a fun-filled and growth-involving experience.

The institute is successfully doing so and is now training more than 4000 students studying in different courses at its various centers. BT is a leading institute for JEE and has produced many Maharashtra Toppers and single digit All India Ranks.

Apart from his love for studies and students, he also loves music, solving puzzles and playing chess. He has been Rajasthan Under-18 Chess champion and has played in many National level championships.

He was also class representative for his batch, General Secretary for the Mechanical Department and board games secretary for the institute at IIT Bombay.

Vaibhav Sir very deservedly is also the Vice President (Academics) of the Coaching Federation of India (CFI).

He has truly been an inspiration to thousands of students aspiring for the coveted IITs.

Committed to create ethical, rational & powerful human beings who will bring a positive difference to the society

From Few Of Our Special Comprehensive Students

I joined Bakliwal tutorials in my 8th standard for the foundation course and then there was no looking back. BT helped me discover my potential. Vaibhav Bakliwal sir is the most passionate and enthusiastic visionary I have met. His mentoring and preparation strategy helped me remain calm and composed during my preparation and exam. I wish to express my gratitude towards the entire BT team. "lucky to be BTian."

Maharashtra Rank 1

Vedang Asgaonkar

- JEE Adv. 2020 AIR 7 - Maharashtra Rank 1
- JEE Main 2020 AIR 52
- Cleared Physics & Chemistry Olympiad Round 1 & 2
- KVPY 2020, AIR 1 (All India Topper)

While I was in 9th and 10th std, I was given the opportunity to study Physics with 11th and 12th std students respectively. This gave me a head start and helped me in qualifying Physics olympiad round 2 and a good score in JEE.

Maharashtra Rank 1

Omkar Thakoor

- IIT JEE 2010 AIR 11 - Maharashtra Rank 1
- AIEEE 2010 AIR 3
- Cleared Physics Olympiad Round 1 & 2
- Cleared RMO & Astronomy Olympiad Round 1
- KVPY scholar

I joined BT in 8th grade for the foundation course which helped me appreciate logical reasoning and I pursued the Special comprehensive course in physics for 2 years (9th, 10th) which helped me appreciate the power of fundamental thinking.

Pune Rank 1

Soham Joshi

- JEE ADV 2021, AIR 46 - Pune Rank 1
- JEE Main 2021, AIR 233
- Cleared Chemistry & Math Olympiad Round 1 & 2
- Cleared Astronomy & Physics Olympiad Round 1
- KVPY 2021, AIR 39 (Pune Topper)

The course was a stepping stone from foundation to actual JEE preparation. I'm really grateful to Vaibhav sir to give me this opportunity. It helped me realize what JEE preparation involves and I was ready for 11th.

Few prominent Government approved competitive exams for Special Comprehensive course students

Exam	Eligibility criteria	Syllabus	Difficulty level	Tentative month (for filling form)
IOQM / RMO	For students of 8th - 10th standard	Mathematics syllabus upto 10th std. (All Boards)	Difficult	June
DHBBVC	For students of 9th standard	Science syllabus upto 9th std. (All Boards)	Moderate	June
NSEJS	For students of 9th & 10th standard	Science syllabus upto 10th std. (All Boards)	Difficult	July

During the Special Comprehensive course, we conduct special lectures to prepare students for the above exams as well. Details of these lectures are mentioned ahead in the leaflet. With improved thinking abilities & strong fundamentals, students are able to do well in various competitive exams later.

Few popular Engineering entrance exams

Exam name	Syllabus	Difficulty level	Affiliated colleges
JEE Advanced	Similar to PCM of 11th & 12th std. (All Boards)	Difficult	Various IITs (Indian Institute of Technology) IIST (Indian Institute of Space Science & Technology) IISc. (Indian Institute of Science)
JEE Main	Similar to PCM of 11th & 12th std. (All Boards)	Moderate	Various NITs (National Institute of Technology) IIITs (Indian Institute of Information Technology) GFTIs (Govt Funded Technical Institutes) Few prominent private colleges & 15% in most Maharashtra engg. colleges
BITSAT	Similar to PCM of 11th & 12th std (All boards)	Moderate/ Easy	Various BITS (Birla Institute of Technology & Science) located at Pilani, Goa & Hyderabad
MHT-CET	PCM of 11th & 12th std. (HSC Board)	Easy	COE Pune, VJTI Mumbai, PICT Pune & other Engg. colleges of Maharashtra

- A few other institutes like VIT, SRM, Manipal, etc. conduct their own exam.
- All of the exams are conducted after the 12th grade board exams.

If you study PCM properly, you are prepared for all competitive exams.

About Special Comprehensive Course

Special Comprehensive Course at BT

To succeed in prominent engineering entrance exams, one requires a thorough understanding of subjects **Physics, Chemistry & Mathematics**, and the ability to solve unseen and new questions with accuracy and speed. As competition is getting tougher every year, the sooner a child starts his preparation the higher are the chances of succeeding in JEE.

Thus, at BT, we identify a few outstanding students from our Foundation course and train them with 11th standard batches while they are in 9th/10th std. These students can choose any one subject out of Physics and Math and attend classes for that particular subject with 11th std students. Many of the BT top rankers have benefited immensely from this course. To name a few who had benefited from this concept:

Vedang Asgaonkar	AIR 7	Shridhar Patil	AIR 130
Omkar Thakoor	AIR 11	Shubhranil C	AIR 157
Soham Joshi	AIR 46	Sahil Agarwal	AIR 176
Vedant Talegaonkar	AIR 89	T Akshay	AIR 182
Kalpesh Krishna	AIR 93	Arnhav Datar	AIR 200
Shlok Pande	AIR 94		

In fact, all of them except Vedant Talegaonkar cleared Physics Olympiad 1st round. Sohams Joshi, Vedang Asgaonkar, Omkar Thakoor, Sahil Agarwal, Arnhav Datar & T.Akshay cleared 2nd round also. Vedang Asgaonkar scored a perfect 100 percentile in Physics in JEE Main 2020.

Most of these students are branch toppers at their respective IITs. For eg: Vedang Asgaonkar has been awarded with the prestigious President of India Gold Medal Award for being the topper across all branches at IIT Bombay.

About Special Comprehensive Course

Course material & Online testing platform

BT provides all students with its detailed course material in booklet form & an online testing platform. The course material comprises of 6 booklets of the allocated subject with detailed theory & practice questions.

Solutions to all questions are provided separately. Through regular online and offline JEE-like tests, we provide a detailed & personalized analysis of the student's performance like time spent to solve each question, subject-wise comparison with toppers, topic-wise strengths & weaknesses, etc., giving vital inputs for improvement in the examination technique.

Students residing in Pune will be requested to collect the study material from their nearest BT center in Pune. Students residing outside Pune will get the study material via courier & will be expected to bear the courier charges.

Doubt clearing platforms

Apart from doubts discussed during the lecture, there will be various ways through which students can get their doubts cleared. Following are the platforms which students can use for the same:

1. **20 mins reserved for doubts after each lecture:**

In addition to the doubts discussed during the lecture, each 3 hour lecture will be followed by a 20 mins doubt session. In these 20 mins, teachers will be available for doubt discussion (both in online and offline lecture). Students can make use of this extra time to interact with teachers personally and get their doubts solved.

2. **Availability of teachers for doubts at centers for entire day:**

At all centers, teachers dedicated for doubts are available throughout the day where students can discuss their doubts personally with them on a one-to-one basis.

3. **Online doubt sessions:**

In addition to the regular weekly lectures, we shall also conduct online doubt sessions daily where students can interact with the teacher and get his/her doubts cleared.

4. **Doubt Forum:**

Bakliwal Tutorials has an interactive doubt forum with exciting features where students can post their doubts and also solve the doubts of other students. Teachers also provide detailed video solutions of the doubts in the forum. The questions are easily searchable and are systematically available for reference and learning. Despite being a closed forum, meant exclusively for BT students, BT's doubt forum is amongst the top results in Google search.

5. **Telegram Group:**

Official Telegram groups (similar to WhatsApp groups) are created batch-wise with the sole purpose of doubts discussion. Students can post their doubts in that group and fellow batch mates along with teachers will participate to solve the same. This helps students to get instant solutions to most of their doubts at almost any time of the day.

FAQs For Special Comprehensive Course

Q1. Do I need to join Foundation Advanced / Advanced Plus course also if I am selected in this course?

Ans. Since in this course, you will be attending only 1 subject out of Physics and Maths, to maintain the continuity of the Foundation Basic / Advanced course, you should join the next level of Foundation course also. Both the courses would have different and additional benefits.

Refer to the below mentioned leaflet links for more clarity:

- To view the detailed Leaflet of **Foundation Advanced**
 Click Here https://www.bakliwالتutorialsiit.com/course_details2/43
- To view the detailed Leaflet of **Foundation Advanced Plus**
 Click Here https://www.bakliwالتutorialsiit.com/course_details2/44

Q2. If I am selected for the Special Comprehensive course, which subject can I choose to attend with 11th standard batch?

Ans. Out of Physics and Maths, the student can attend any one subject with the 11th standard batch. Subject however, shall be allotted on the basis of merit and availability only.

Q3. What is the duration of Special Comprehensive course and when does it begin?

Ans. The duration of the course is 3 or 4 years depending upon the standard in which student joins this course. This course shall begin with an Orientation Program from **28th April, 2025**.

What makes BT different?

1. Unparalleled Genuine Results: Power of BT!

Unlike most institutes which do not even publish their result on their websites and thrive on fake results, we believe in absolute transparency. All the ranks mentioned by us belong to the general category unless otherwise specified clearly. All the results correspond to our classroom students. We have also given contact details of all our IIT-JEE/JEE Advanced qualified students till date, on our website, in the results section. We are yet to come across an institute in entire India which has the honesty, courage & confidence of declaring their results, consistently year after year, in such a transparent manner.

2. Offline & Online tests with detailed analysis

Offline and Online Tests at BT (called BTests) are thought provoking and bear close resemblance to the actual JEE paper. We analyse the tests from a student's perspective providing detailed and in-depth analytics on time management and test taking strategy. The analytics for the Online test are available immediately after test submission. The analytics of the Offline test are emailed in a couple of days.

Some of the parameters on which students' performance is analysed are mentioned below:

- **Subject Analysis:** Students get to know their performance in each subject along with time spent per subject per question.
- **SWOT Analysis:** Students can clearly see the topics in which they are strong or weak and then can easily decide the time to be spent on each topic going forward.
- **Analysis as per question type:** Questions in each test are tagged as per various types (single option correct, multiple options correct, integer type etc.) and students get to know how they fared under each type giving them an understanding of where they need to improve.
- **Attempt Analysis:** A unique analysis of questions attempted by the students' according to their difficulty level is provided to the students' to give an understanding of whether the easier questions were attempted earlier than the difficult questions or not.

3. Merit wise batches

Merit based batches is one of the attributes that is common across all the successful JEE institutes across the country. It is a proven fact that when students study with peers of relatively same intelligence level, they are able to learn more and even the teachers are able to plan their lectures well. This also creates a spirit of positive & healthy competition among the students.

4. Focus on Boards & MHT-CET as well

We at BT teach the basic concepts so well that the student understands the subject to the core and then it is just a matter of a little bit of tuning according to the different exams. We ensure that the students get thoroughly prepared for the board exams & other popular exams like MHT-CET, BITSAT, Olympiads etc as well. After the syllabus is completed in 12th std (sometime in October), we conduct special lectures for Boards/BITSAT/MHT-CET preparation. In such lectures, students are trained as per the different pattern of these exams and mock tests of all these exams are also conducted. Students at BT have been doing exceptionally well in Boards, BITSAT, MHT-CET & other exams (details of the same have been updated on the website link: https://www.bakliwaltutorialsiiit.com/result_other_exam/).

What makes BT different?

5. Well Equipped Classrooms, Study Room & Library Facility

BT offers state of the art infrastructure at each of their centre with spacious, AC ventilated classrooms having Digital Boards. In addition to the classrooms, separate study rooms are maintained which are dedicated for students for their self study. Students can also make use of the various reference books available in the library.

6. Counseling Session after JEE Advanced Result

A detailed counseling session is conducted for all the students after their JEE and other exam results are declared. In this session, along with the teachers, senior students from BT, who have joined various IITs and other top colleges like NIT's, BITS etc. participate and guide the passing out batch on the right options to choose as per their merit and interest.

7. Student Mentorship Program

Each and every student at BT is assigned a personal Mentor. These mentors are young trainee teachers at BT, who have recently passed out from top colleges like IIT/NIT etc. Mentor keeps meeting the student at regular intervals, discusses student's academic activities in detail including the daily study routine. The mentor also keeps a check of the progress of the student and connects with the parent to discuss the same. Basically, the mentor plays the role of an elder brother/sister to the student and guides the student academically and non academically in this journey empathetically.

8. BT Culture

Out of the box events like Whizz-kid (Puzzle Competition), Felicitation Function in which meritorious students are awarded with Cash Prizes, Staff birthday celebrations, Picnic with 12th passing out students along with the faculty, Seminars, Counselling Session after JEE Advanced result etc truly make BT different.

9. Interaction with parents on child's progress

We ensure that we stay connected with parents through various ways and keep them in loop with respect to their child's progress during the preparation. Parents are also sent absenteeism SMS on daily basis and test results with detailed analysis after every test. We also conduct a seminar on effective parenting where we share our views on how parents can contribute in child's studies. PTM is occasionally conducted where one to one feedback is provided to them etc. Parents can also meet teachers occasionally after the lectures. Thus, parents are kept totally involved during the entire journey so that we work together for the intellectual growth of the child.

10. Insightful Seminars

In addition to the regular lectures, special seminars on various topics are conducted at regular intervals to guide the student on mental and other aspects which are important for JEE preparation along with the academics part. Special seminars/interaction sessions are also conducted with parents where we discuss with them as to what can be their role on their child's preparation. This ensures that students are highly motivated and aware about all the important aspects during their JEE preparation journey.

All those hours spent in class studying, discussing and laughing cannot be forgotten. I have no doubt that I would not be able to get even a triple digit rank without BT. The teachers here are truly amazing. They know exactly what works and exactly when to push students. I had never seen such passionate teachers before joining BT.

Especially Vaibhav sir, whose mental preparation techniques gave me confidence that I really could crack IIT. He also taught me how to learn physics, and how to really dive into a topic. If I got a chance to do this again, I surely would, and would strive to do my best, as was the most important lesson given by BT to me.

I joined BT in 8th grade for the foundation course which helped me appreciate logical reasoning and I pursued the spld comp course in physics for 2 years (9th, 10th) which helped me appreciate the power of fundamental thinking. In all these courses all the teachers I have encountered & all my peers have been very friendly and willing to discuss anything freely, all thanks to this wonderful culture of BT.

I have no idea what might have happened on 10th April 2011, had I never joined BT. Maybe I wouldn't have qualified at all... maybe I would have narrowly qualified with a rank in the 9000s. It's impossible to predict. But one thing is of sure - These two years spent preparing for JEE would surely not have been as much fun!

These two years in BT were, quite simply, AWESOME. I studied the hardest I had ever in my life, and I also did the most to enjoy myself these two years. And if I could turn back time, I'd do it again, no doubt.

My main phase of preparation was the Comprehensive Course in 11th & 12th. These 2 years have been the most fruitful & memorable years of my life, and not only did I study PCM in great depth, but I also transformed as a person. In my opinion, JEE is not only a test of PCM skills, but also of perseverance, dedication and presence of mind.
