

# BAKLIWAL TUTORIALS

(Where Best students meet Best Teachers)

## Leaflet for students currently in 8th/9th standard

### Foundation Basic (Winter + Summer) Course

(From start of December 2025 to mid February 2026 and then whole of April 2026)

Available only in Online format

At Bakliwal Tutorials (BT), for the last 20 years, we have served thousands of impressionable students who have turned into rational, ethical, and influential beings, contributing to a better society. Throughout this journey, students and parents have graciously bestowed immense affection and support upon us. As we have completed our 20 years this year, we feel humbled and grateful. We pledge to continue innovating and providing top-quality services to our students.

Year after year, BT consistently produces the highest number of JEE ranks (Top 1000/ 2000/ 5000/ 10000/ Overall) in Pune, with one of the best success ratios nationally. Known for our ethics and transparency, we are the only institute in the country that publishes the contact details of all our JEE Advanced qualified classroom students along with their other achievements. We encourage parents to make informed decisions by objectively comparing results on institute websites, rather than relying on marketing claims.

# BT Course Flowchart

(In terms of class/standard as on November 2025)

The Foundation course has 3 levels:

1. **Foundation Basic**
2. **Foundation Advanced**
3. **Foundation Advanced Plus**

A student is able to cover these levels depending upon his/her current standard.

**Students who are currently in 8th standard** have 2 options:

**Option 1:** Completing Foundation Basic course in 9th standard and Foundation Advanced course in 10th standard.

**Option 2:** Completing Foundation Basic course in 8th standard through Foundation Basic (Winter + Summer) course followed by Foundation Advanced in 9th standard and Foundation Advanced Plus in 10th standard.

Details about the **Foundation Basic course** can be found here:

[https://www.bakliwالتutorialsit.com/course\\_details/38](https://www.bakliwالتutorialsit.com/course_details/38)

**Students who are currently in 9th standard** have 2 options:

**Option 1:** Completing the Foundation Accelerated course in their 10th standard. Foundation Accelerated course is a melange of Foundation Basic & Foundation Advanced level.

**Option 2:** Completing Foundation Basic course in 9th standard through Foundation Basic (Winter + Summer) course followed by Foundation Advanced course in 10th standard.

Details about the **Foundation Accelerated course** can be found here:

[https://www.bakliwالتutorialsit.com/course\\_details/39](https://www.bakliwالتutorialsit.com/course_details/39)

# About Foundation Basic (Winter + Summer) Course

## Course details

The Foundation course at BT is thoughtfully designed to help students crack quality competitive exams. The **Physics, Chemistry & Mathematics** lectures and the corresponding assignment sheets are carefully planned to help early generation of interests in these subjects. The **Logic** lectures further facilitate in developing the students analytical thinking and problem-solving abilities. The **Coding** lectures will also ensure that students understand the basic concepts of coding at this early age itself, thereby giving them a competitive edge. We have also added **Biology subject in the Foundation Basic (Winter + Summer) course as an additional option** (details of the same are mentioned ahead in this leaflet).

## Course duration

- The Winter + Summer Foundation course is thoughtfully planned in 2 parts.
- 1st part shall be conducted from **Monday, 1st December 2025 to Sunday, 15th February 2026** with 3 lectures per week, each lecture of 3 hours and 30 minutes duration.
- 2nd part shall be conducted from **Monday, 30th March 2026 to Sunday, 26th April 2026** with 6 lectures per week, each lecture of 3 hours and 30 minutes duration.
- Completing both the parts shall ensure that students have covered full syllabus of Foundation Basic course and shall be ready to join the Foundation Advanced course which will begin from May 2026.

## Start date of the course

### During Winter Months - 1st Part (December to mid February)

Date : **1st Dec. 2025 to 15th Feb. 2026**  
Time : **6.00 to 9.30 PM**  
Lectures on Days : **Mon, Wed, Fri**  
Examination on : **Every 3rd Sunday**

### During Summer Months - 2nd Part (March - April)

Date : **30th March 2026 to 26th April 2026**  
Time : **6.00 to 9.30 PM**  
Lectures on Days : **Monday to Saturday**  
Examination on : **2nd & 4th Sunday**

## Course format

The **Winter + Summer Foundation course** is only offered in **Completely Online format**.

In this format, students shall attend lectures in online mode. At BT, the online lectures are live and also lively where students participate via chat and by un-muting themselves responsibly.

## About Foundation Basic (Winter + Summer) Course

### Course material & Online testing platform

BT provides its own course material and recommends a few books for additional study which the student needs to arrange. It also provides an online testing platform which is used to conduct various practice tests and online BTests. This Online platform provides a detailed & personalised analysis of the student's performance like time spent to solve each question, subject wise comparison with toppers, topic wise strength & weaknesses etc. giving vital inputs for improvement in the examination technique. Students will be requested to collect the study material from their nearest BT center in Pune. Outstation students will be expected to bear the courier charges.

### Doubt clearing platforms

Apart from doubts discussed during the lecture, there will be various ways through which students can get their doubts cleared. Following are the platforms which students can use for the same:

#### 1. Doubts during breaks or after each lecture:

Students can utilize break time (15 mins) or the period after lecture (15 mins) to engage with teachers individually and clarify their doubts.

#### 2. Availability of teachers for doubts at centers for entire day:

At all centers, teachers dedicated for doubts are available throughout the day where students can discuss their doubts personally with them on a one-to-one basis.

#### 3. Online doubt sessions:

In addition to the regular weekly lectures, we shall also conduct online doubt sessions daily. These doubt sessions are optional and student can join them from their home for a one to one interaction with the teacher for doubts.

#### 4. Doubt Forum:

Bakliwal Tutorials has an interactive doubt forum with exciting features where students can post their doubts and also solve the doubts of other students. Teachers also provide detailed video solutions of the doubts in the forum. The questions are easily searchable and are systematically available for reference and learning. Despite being a closed forum, meant exclusively for BT students, BT's doubt forum is amongst the top results in Google search.

#### 5. Telegram Group:

Official Telegram groups (similar to WhatsApp groups) are created batch-wise with the sole purpose of doubts discussion. Students can post their doubts in that group and fellow batch mates along with teachers will participate to solve the same. This helps students to get instant solutions to most of their doubts at almost any time of the day.

# About Foundation Basic (Winter + Summer) Course

## Tentative Winter Course Plan - 1st Slot

Week	From	To	Physics	Mathematics	Chemistry	Biology (Optional)
1 to 3	1 Dec 2025 (Monday)	20 Dec 2025 (Saturday)	Vectors and Kinematics	Number System, Ratio and Proportion, Algebraic Identities & Exponents	Basic Principles of Chemistry, Basics of Mole Concept	Crop Production and Management, Microorganisms: Friend and Foe
<b>21 Dec 2025 (Sunday) - BTest 1</b>						
4 to 6	22 Dec 2025 (Monday)	10 Jan 2026 (Saturday)	Uniform Accelerated Motion, Vector Subtraction & Graphs	Surds, Polynomials Coordinate Geometry, Linear Equations in Two Variables	Chemical Equations, Types of Chemical Reaction	Cell – Structure and Functions, Reproduction in Animals
<b>11 Jan 2026 (Sunday) - BTest - 2</b>						
7 to 9	12 Jan 2026 (Monday)	31 Jan 2026 (Saturday)	Newton's Laws of Motion, Friction	Linear Equations in Two Variables, Quadratic Equations, Trigonometry	Balancing of Redox Reactions, Equivalent Weight and Normality	The Fundamental Unit of Life, Tissues
<b>1 Feb 2026 (Sunday) - BTest - 3</b>						
10 & 11	2 Feb 2026 (Monday)	14 Feb 2026 (Saturday)	Momentum and Collisions	Trigonometry, Mensuration	Structure of Atom (electron, proton, neutron discoveries, atomic models)	Diversity in Living Organisms, Human health and diseases
<b>15 Feb 2026 (Sunday) - BTest - 4 (Full Syllabus)</b>						

## Tentative Summer Course Plan - 2nd Slot

Week	From	To	Physics	Mathematics	Chemistry	Logic	Coding
1 to 4	30 March 2026 (Monday)	25 April 2026 (Saturday)	Work power energy, Revision	Permutation and Combination, Probability, Arithmetic Progression, Geometric Progression	Structure of Atom (quantum numbers and electronic configuration), Periodic Table, Revision	Syllogisms (Venn diagrams), Pigeon hole principle, Cubes and Dice, Parity	Introduction to coding in Python and variable types, Conditions (If...Then...), Loops (For, while), Functions and Subroutines
<b>26 April 2026 (Sunday) - BTest - 5 (Full Syllabus)</b>

## About Foundation Basic (Winter + Summer) Course

### Biology as an Optional subject in the course

In the Foundation courses, we teach Biology subject as well. Opting for Biology will be optional for students. Students who are inclined towards medical entrance exam preparations or are currently unclear in general which field to choose after 10th std, can keep their options open by opting for Biology along with the other subjects (Physics, Chemistry, Math, Logic & Coding) in the Foundation Basic (Winter + Summer) course.

Biology lectures will be conducted every Saturday (during Winter months) in online mode only from **6 pm to 9.30 pm**. Hence, students opting for Biology will have 4 lectures per week during the Winter months.

### Biology Course Plan

<b>Week (1-3)</b>	Crop Production and Management	<b>Week (7-9)</b>	The Fundamental Unit of Life
	Microorganisms: Friend and Foe		Tissues
<b>Week (4-6)</b>	Cell – Structure and Functions	<b>Week (10-11)</b>	Diversity in Living Organisms
	Reproduction in Animals		Human health and diseases

### Fee for Biology subject

An additional fee of **Rs 7,000/-** will be charged for students opting for Biology.

*Note: BT has ensured that the same quality of teaching is maintained in Biology as in all other subjects.*

## About Foundation Basic (Winter + Summer) Course - Entrance Exam

Selection for the Foundation Basic (Winter + Summer) course will be based on the performance in the entrance exam.

### **Online Entrance Date - 30th November 2025 (Sunday)**

**3.45 pm - Reporting Time (Log into the Zoom Meeting)**

**4:00 to 5:30 pm - IQ based Online Test**

**6:00 to 8:00 pm - Parents & Students Online Interaction with Vaibhav Sir. The session can stretch depending upon the queries raised by parents & students.**

1. One of our staff members will call you after you register and shall be your one point contact for all your queries. A few days before this entrance exam, you will also receive an email about the details of the same from us.
2. You will receive a practice test link before the examination. Student should take that test to get used to writing a test on the online proctored platform and report the difficulty faced if any. Note that the difficulty level in the practice test is not representative of the actual entrance test.
3. The actual entrance exam will be conducted on the above date as per the above schedule.
4. Result (which includes the type of batch allocated to you and the scholarship won, if any) of the test will be communicated within 3 to 4 days via email.
5. In that email, we shall invite qualified students and parents to attend an online session on a specified date and time for the entrance exam review, to discuss operation details of the course and to respond to your further queries, if any.
6. For the admission process, duly filled enrollment form has to be submitted online and course fee has to be paid within 7 days of result declaration.
7. Students who do not enroll within a week from the day of result declaration will not be entitled for any scholarship.
8. The fee for this entrance exam is Rs. 200 only (non-refundable), which should be paid while registering for the exam. Registration can be done at any of our offices or it can be done online through our website.

## About Foundation Basic (Winter + Summer) Course

### About Online Proctored Entrance Exam

The entrance exam will be conducted online in a proctored setup to ensure fairness and integrity. It will follow a hybrid proctoring model, combining both AI and human monitoring. **During the exam, your screen, microphone, and webcam will be actively monitored** to ensure that no unfair means are used. To attempt the exam, it is **mandatory to have a laptop or desktop equipped with a functioning webcam and microphone, along with a stable internet connection.**

**Note:** To make you well versed with Online Proctored Test, you will receive a 10-minute practice test link a few days before the actual examination. Student should take that test to get used to writing a test on the online proctored platform.

If you do not have the required setup, please inform us in advance at [info@bakliwالتutorialsiiit.com](mailto:info@bakliwالتutorialsiiit.com) so that we can assist you with an alternative way to take the entrance exam.

### How to Register for Sunday, 30th November Entrance Exam

#### ONLINE PAYMENT FOR REGISTRATION

For registering online:

- You can visit [https://bakliwالتutorialsiiit.com/entrance\\_registration](https://bakliwالتutorialsiiit.com/entrance_registration)
- Fill the registration form
- Select the course 'Foundation Basic (Winter + Summer) (for students currently in 8th/9th standard)'
- Pay & register
- Then select the suitable mode of payment from the given options and pay Rs. 200/-
