About Summer Foundation Course

Course detail

We recommend the Summer Foundation Course to those **students who've not done any Foundation course at BT**. This course help students to start the preparation process early and the vacation time is also utilised fruitfully. It also helps students feel charged up and confident for their JEE preparation journey ahead.

This course is of 21 days (31 March 2025 to 20 April 2025) with daily 2 lectures of 2 hours 30 mins duration for 6 days in a week. Every Sunday, there shall be a test.

Course material & Online testing platform

BT shall provide its own course material, which is very detailed. It covers theory and questions of all the topics taught during this course. It shall also provide an online testing platform which will be used to conduct various practice tests and online BTests (Total 3 Tests). It shall provide a detailed & personalised analysis of the student's performance like time spent to solve each question, subject wise comparison with toppers, topic wise strength & weaknesses etc. giving vital inputs for improvement in the examination technique.

Entrance process

The students qualified for the 2 years Comprehensive course 2027 are automatically eligible to join the Summer Foundation Course.
