## Director's Desk

### Hearty Welcome!

We appreciate your sincerity and determination to clear the important examination ahead of you. Your decision to consider Bakliwal Tutorials to be your trainer bears ample testimony to your resolve.

Every smart individual realizes the importance of expert help at the right juncture. Behind every Edmund Hillary triumphantly waving a flag at the pinnacle is month of toil under the watchful eyes of a committed trainer. For the past 18 years, we at BT have been that trainer for many a successful students.

So, do we have some magic formula that will open the gate of a favorite institute for you? No, we do not.

There is no substitute for all the hard work that you alone must put in. What we do have is the knowledge, expertise and the right classroom culture. Our knowledge will tell you how to channelize your efforts and how to focus your attention so that you are able to achieve maximum in minimum time. Our expertise will take you through so many simulations that when you face the real test you will have confidence of being on familiar ground. Our classroom culture will help you stay positive and motivated throughout.

We have a simple definition of our success: When you succeed, we succeed. Once again welcome to the BT family, welcome to success!

Sincerely,  
Vaibhav Bakliwal

Mr. Vaibhav Bakliwal did his B.Tech in mechanical engineering from the IIT Bombay after which he worked with TATA motors for a year. But his penchant for teaching made him create Bakliwal Tutorials (BT) in April 2005. BT began with the aim to help students preparing for IIT-JEE, realize their dreams; and to make sure that the preparation process itself becomes a fun-filled and growth-involving experience.

The institute is successfully doing so and is now training more than 3500 students at its various centers for various courses. BT is a leading institute for JEE and has produced many Maharashtra toppers and single digit All India Ranks.

Apart from his love for studies and students, he also loves music, solving puzzles and playing chess. He has been Rajasthan Under-18 chess champion and has played in many national level championships. He was also class representative for his batch, general secretary for the mechanical department and board games secretary for the institute at IIT Bombay. Vaibhav sir very deservingly is also the vice president (Academics) of the coaching federation of India.

He has truly been an inspiration to thousands of students aspiring for the coveted IITs.

**Committed to create ethical, rational & powerful human beings who will bring a positive difference to the society**

[FAQs](#)

[Contact Details](#)

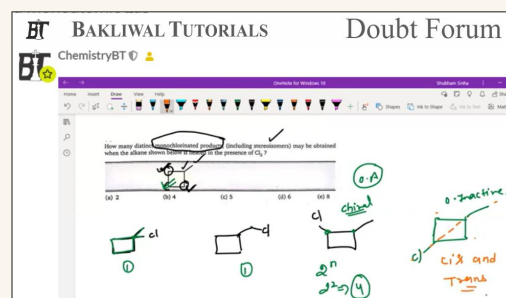

# What makes BT different?

## 1. 'Genuine results': Power of BT!

Unlike most institutes which thrive on fake results, we believe in absolute transparency. All the ranks mentioned by us belong to the general category unless otherwise specified clearly. All the results correspond to our classroom students. **We have also given contact details of all our IIT-JEE/JEE Advanced qualified students till date, on our website, in the results section.** We are yet to come across an institute in entire India which has the honesty, courage & confidence of declaring their results, consistently year after year, in such a transparent manner.

## 2. Regular revision lectures & doubt clearing sessions

Apart from doubts discussed during the lecture, there will be various ways through which students can get their doubts cleared. Following are the platforms which students can use for the same:

- **After the lecture**

In addition to the doubts discussed during the lecture, each 3 hour lecture will be followed by a 20 mins doubt session. In these 20 mins, teachers will be available for doubt discussion (both in online and offline lecture). Students can make use of this extra time to interact with teachers personally and get their doubts solved.

- **Doubt sessions**

In addition to the above, separate doubt sessions (both online & offline) are also conducted regularly of higher duration. In such doubt sessions too, students can interact with the teacher on a one-to-one basis and get their doubts cleared.

- **Doubt Forum**

Bakliwal Tutorials has an interactive doubt forum with exciting features where students can post their doubts and also solve the doubts of other students. Teachers also provide detailed video solutions of the doubts in the forum. The questions are easily searchable and are systematically available for reference and learning. Despite being a closed forum, meant exclusively for BT students, BT's forum is amongst the top results in Google search.

- **Telegram group**

Official Telegram groups (similar to WhatsApp groups) are created batch-wise with the sole purpose of doubts discussion. Students can post their doubts in that group and fellow batch mates along with teachers will participate to solve the same. This helps students to get instant solutions to most of their doubts at almost any time of the day.

## 3. Competent and committed faculty team

Many students at BT have quoted in their testimonials that BT means "Brilliant Teachers". Over the years, more than 10,000 teachers have applied at BT. Through a stringent selection process which involves 2 rounds of rigorous interview, written test and demo lecture, we select the best out of them.

Unlike other coaching classes which have only 1 or 2 'good' teachers, each and every faculty at BT is extremely knowledgeable, approachable and passionate about teaching. Most of the teachers at BT are IITians or passouts from an equivalent top college. Feedback of almost all teachers at BT, as frequently taken from students, is more than 9 out of 10.

## What makes BT different?

### 4. Offline & Online tests with detailed analysis

Offline and Online Tests at BT (called BTests) are thought provoking and bear close resemblance to the actual JEE paper. We analyse the tests from a student's perspective providing detailed and in-depth analytics on time management and test taking strategy.

Some of the parameters on which student's performance is analysed are:

- **Subject analysis:** Students get to know their performance in each subject along with time spent per subject per question.
- **SWOT Analysis:** Student's can clearly see the topics in which they are strong or weak and then can easily decide the time to be spent on each topic going forward.
- **Analysis as per question type:** Questions in each test are tagged as per various types (single option correct, multiple options correct, integer type etc.) and students get to know how they fared under each type giving them an understanding of where they need to improve.
- **Attempt Analysis:** A unique analysis of questions attempted by the student according to their difficulty and trickiness level is provided to the student to give an understanding of whether the easier questions were attempted earlier than the difficult questions or not.

### 5. Merit wise batches

Merit based batches is one of the attributes that is common across all the successful JEE institutes across the country. It is a proven fact that when students study with peers of relatively same intelligence level, they are able to learn more and even the teachers are able to plan their lectures well. This also creates a spirit of positive & healthy competition among the students.

### 6. Focus on Boards & MHT-CET as well

We at BT teach the basic concepts so well that the student understands the subject to the core and then it is just a matter of a little bit of tuning according to the different exams. We ensure that the students get thoroughly prepared for the board exams & other popular exams like MHT-CET, BITSAT, Olympiads etc as well.

After the syllabus is completed in 12th std (sometime in October), we conduct special lectures for Boards/BITSAT/CET preparation. In such lectures, students are trained as per the different pattern of these exams and mock tests of all these exams are also conducted.

Students at BT have been doing exceptionally well in Boards, BITSAT, MHT-CET & other exams.

### 7. Study room & Library facility

In addition to the classrooms, separate study rooms are maintained which are dedicated for students for their self studies. Students can sit in that room before/after the class or any other time to study alone or do some group studies. Students can also make use of the various reference books available in the library.

### 8. Counseling session after JEE result

A detailed counseling session is conducted for all the students after their JEE and other exam results are declared. In this session, along with the teachers, senior students from BT, who have joined various IITs and other top colleges, participate and guide the passing out batch on the right options to choose as per their merit and interest.

## What makes BT different?

### 9. Academic Diary for self improvement

At BT, we strongly believe that “deliberate practice, and not just practice, makes one perfect”. With this intention, we provide an academic diary to our Comprehensive course students where they can continuously analyze (monitor) the progress of their preparation and accordingly chart out improvement plans. The diary consists of the following sections:

- **Dashboard:** On this page, parents and students can see all the details related to their Attendance, BTest Performances, Weekly Tests etc. at one glance.
- **Weekly Study Planner:** In this section, student needs to plan their studies on a weekly basis, jot down the subject wise topics which they plan to study in a particular week and keep a track of the same. Parents and teachers also monitor the same.
- **BTests analysis:** In this section, student analyze each and every test he takes at BT and jots down important learnings derived from the same.
- **Important BTest questions:** In this section, after each test, student notes down the important questions from that test which should be revised during the time of revision. This helps the student to revise all the important concepts systematically during revision.
- **Confidence builder:** In the last section, student tracks their preparation and confidence level subject wise and topic wise during revision. Student can accordingly devote more time to topics/subjects where confidence level is low.

All in all, this academic diary if used sincerely can lead to immense self improvement during the 2 year preparation and make him/her a worthy and successful student.

### 10. BT culture

Out of the box events like Whizz-kid (puzzle competition), felicitation function, birthday celebrations, pledge day, picnics, seminars, counseling session after JEE result etc truly make BT different.

### 11. Interaction with parents on child's progress

We ensure that we stay connected with parents through various ways and keep them in loop with respect to their child's progress during the preparation. Teachers regularly check the homework of students and parents are informed on the same. Parents are also sent absenteeism SMS on daily basis and test results with detailed analysis after every test. We also conduct a seminar on effective parenting where we share our views on how parents can contribute in child's studies. PTM is occasionally conducted where one to one feedback is provided to them etc. Parents can also meet teachers occasionally after lecture. Thus, parents are kept totally involved during the entire journey so that we work together for the intellectual growth of the child.

### 12. Insightful Seminars

In addition to the regular lectures, special seminars on various topics are conducted at regular intervals to guide the student on mental and other aspects which are important for JEE preparation along with the academics part. Special seminars/interaction sessions are also conducted with parents where we discuss with them as to what can be their role on their child's preparation. This ensures students are highly motivated and aware about all the important aspects during their JEE preparation journey.

Akshat Chugh  
JEE-Adv 2017, AIR 2  
JEE-Main 2017, AIR 7  
IIT(B) Computer Science

*I have studied at BT for 4 years starting at my 9th standard from Foundation course. All those hours spent in class studying and enjoying cannot be forgotten. I had never seen such passionate teachers before joining BT. As someone rightly said many years ago. "BT means Brilliant Teachers".*

### 1<sup>st</sup> JEE Advanced 2022 in Maharashtra

Pratik Sahoo  
JEE-Adv 2022, AIR 7  
JEE-Main 2022, AIR 326  
KVPY 2021: Pune Rank 1  
IIT(B) Computer Science

*I began my journey in BT in the 9th grade. All the small things about BT are memorable, from the logic classes and whizzkid exam to the innovative and relaxed way of teaching. Knowledgeable and friendly teachers guided me on this journey, while the academics team designed syllabus, relevant tests that were milestones on the road to JEE Advanced.*

### 1<sup>st</sup> JEE Advanced 2020 in Maharashtra

Vedang Asgaonkar  
JEE-Adv 2020, AIR 7  
JEE-Main 2020, AIR 52  
KVPY 2020, AIR 1  
IIT(B) Computer Science

*I joined Bakliwal Tutorials in my 8th standard for the foundation course. I was totally mesmerised by the highly proficient teachers and their zeal. The teachers in BT are very dynamic and guide students in all aspects of preparation. They are always proactive to clarify our doubts at any time of the day. I wish to express my gratitude towards the entire BT Team "Lucky To Be A Btian"*

## Few more Testimonials

### 1<sup>st</sup> IIT-JEE 2010 in Maharashtra

**Omkar Thakoor**  
 IIT JEE 2010 AIR 11.  
 AIEEE 2010 AIR 3.  
 P/M Olympiads, KVPY  
 IIT(B) CSE (Job with Samsung Korea)

*It has been a long association of 4 years. At BT, though we were actually taught PCM, we unknowingly also underwent personality development. I feel tremendously confident and positive about my merit. I have grown a lot more confident in facing challenging problems; not just in exams, but in life as well. This confidence is nothing but BT's gift to me.*

*My main phase of preparation was the Comprehensive Course in 11<sup>th</sup> & 12<sup>th</sup>. These 2 years have been the most fruitful & memorable years of my life, and not only did I study PCM in great depth, but I also transformed as a person. In my opinion, JEE is not only a test of PCM skills, but also of perseverance, dedication and presence of mind.*

**JEE ADV 2022 AIR 89 - Pune Rank 2**

Vedant Talegaonkar

*The group of teachers at BT is the best I have had until now, and it might not change. Such are the high standards of the faculty. They explain even the toughest of concepts in the simplest words.*

**JEE ADV 2021 AIR 167**

Shubhrani Chatterji

AIR 167, JEE Adv. 2021

*For any aspirant, most of the success of a student depends on the student himself/herself, some on his/her family and some on the institute, and one can be rest assured that BT will do its best to help in whatever way it can.*

**JEE ADV 2021 AIR 299**

Jainesh Mehta

AIR 299 in JEE advanced

**JEE ADV 2020 AIR 363**

*An excellent symbol of the brilliant culture at BT is reflected by the continued classes/exams being conducted regularly through online, even in the extra 6 months that our exam got postponed, just so that we wouldn't lose our confidence in our efforts.*

Shubham

[SHUBHAM BAKAKE] AIR-363 JEE Advanced-2020

*My Teachers were always by my side to light up the path for me. Without Vaibhav Sir, this journey wouldn't be possible. I will always treasure my memories and learnings of BT.*

**FIGHTER  
OR  
LIFE**

- Vishal Jajodia  
(HAWA 3000)

**JEE ADV 2015 AIR 3000**

*I am very happy that I joined BT in the 9<sup>th</sup> standard. The excitement in the classes, brilliant teaching and the positive environment are huge plus points. BT has helped us develop our own thinking mindset and that is the greatest gift of all!*

**JEE ADV 2018 AIR 275**

Pranav Page

AIR-275

*Life at BT has been fun-filled and joyful. Everyday I eagerly used to wait for clock to strike 6:15 p.m. as the following three hours used to be the best part of the day.*

**JEE ADV 2018 AIR 311**

Prathamesh Kulkarni

*I thank the entire team of Barkival tutorials for their support and guidance.*

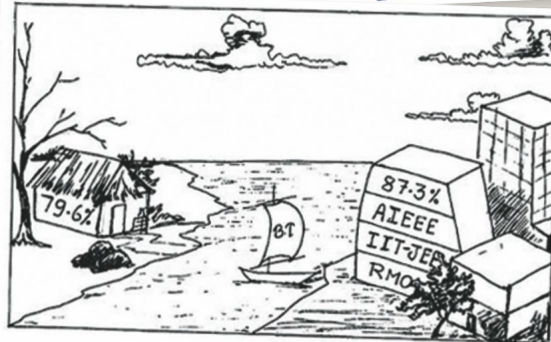

*I was also benefitted by the logic classes in the foundation course.*

Parth Shettwar

JEE Adv. Adv. - 170

**JEE ADV 2017 AIR 170**

## About Foundation Advanced Plus Course

### About Engineering Entrance Exams

Exam.	Syllabus	Difficulty level	Affiliated colleges
<b>JEE Advanced</b>	Similar to PCM of 11th & 12th std. (All boards)	Difficult	Various IITs (Indian Institute of Technology), IIST (Indian Institute of Space Science & Technology), IISC (Indian Institute of Science), various IISERs (Indian Institute of Science Education and Research)
<b>JEE Main</b>	Similar to PCM of 11th & 12th std. (All boards)	Moderate	Various NITs (National Institute of Technology), IIITs (Indian Institute of Information Technology), GFTIs (Govt Funded Technical Institutes), few prominent private colleges & 15% in most Maharashtra engg. colleges
<b>BITSAT</b>	Similar to PCM of 11th & 12th std (All boards)	Moderate/ Easy	Various BITS (Birla Institute of Technology & Science)
<b>MHT CET</b>	PCM of 11th & 12th std. (HSC board)	Easy	COEP Pune, VJTI Mumbai, PICT Pune & other engg. colleges of Maharashtra

- Few other good institutes like VIT, SRM, KIT, IPU, MU etc. conduct their own exam.
- All of the exams are conducted after the 12th grade board exams.

**\* If you study PCM properly, you are prepared for all competitive exams.\***

### About Foundation Advanced Plus Course

Foundation Advanced Plus course is offered to students who successfully complete Foundation Basic & Advanced course at BT. Foundation Advanced Plus course helps students gain depth on the concepts of Physics, Chem, Math, Logic & Coding which they have learnt during the Basic & Advanced course. Topics which are relevant for their 10th boards syllabus are also included in the Foundation Advanced Plus course. Therefore, this course not only further develops their confidence but also helps them in their preparation for their 10th board exams.

Like in the Foundation Advanced course, Biology subject is an option in the Foundation Advanced Plus course as well. Students can choose Biology as the 6th subject if they wish. Topics covered in Biology will also help them for their 10th boards preparation for Bio.

**2 lectures per week** shall be offered in this course. Each lecture shall be of 3 hours 20 mins duration, with a 15 mins break in between. In addition to these 2 lectures per week, a few special lectures will also be conducted for **preparation of important exams like Homi Bhabha, Junior Science Olympiads and PRMO etc.**

Students opting for Biology shall have an additional 2 lectures per month.

# About Foundation Advanced Plus Course

## Foundation Advanced Plus course formats

### Foundation Advanced Plus course formats:

The Foundation Advanced Plus course is offered in 2 formats:

1. Foundation Advanced Plus Synergy (Offline + Online)
2. Foundation Advanced Plus Online (Completely online)

### 1. Foundation Advanced Plus Synergy:

In this format, every week, 1 lecture shall be conducted in classroom coaching mode at our various centers and 1 lecture shall be conducted in online mode. Online lectures are live lectures as per the batch timing, which the students can attend from the comfort of their homes. For classroom lectures, student can choose a center of his/her choice (out of the options available in this format in his merit-wise category).

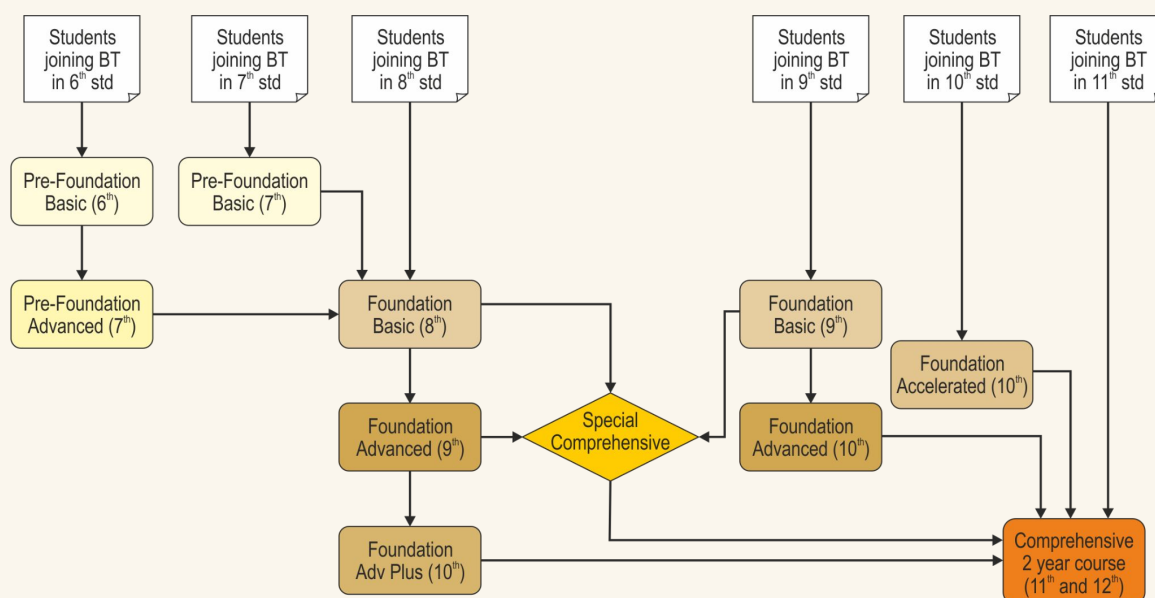

### 2. Foundation Advanced Plus online:

In this format, students shall attend both lectures per week online. At BT, the online lectures are live and also lively where students participate via chat and by un-muting themselves responsibly.

**\* If students wish, they shall be allowed to shift from one format to another anytime during the course basis seat availability. \***

## About Foundation Advanced Plus Course

### Course Material & Online testing platform

BT provides its own course material and recommends a few books for additional study which the student needs to arrange. It also provides an online testing platform which is used to conduct various practice tests and online BTests. This Online platform provides a detailed & personalised analysis of the student's performance like time spent to solve each question, subject wise comparison with toppers, topic wise strengths & weaknesses etc. giving vital inputs for improvement in the examination technique.

Students opting for Synergy format shall be requested to collect the study material from their nearest BT center in Pune.

Students opting for completely online format will get the study material via courier free of cost (within India). Overseas students shall be expected to bear the courier charges.

### Doubt clearing platforms

Apart from doubts discussed during the lecture, there will be various ways through which students can get their doubts cleared. Following are the platforms which students can use for the same:

#### 1. After the lecture

In addition to the doubts discussed during the lecture, each 3 hour lecture will be followed by a 20 mins doubt session. In these 20 mins, teachers will be available for doubt discussion (both in online and offline lecture). Students can make use of this extra time to interact with teachers personally and get their doubts solved.

#### 2. Availability of teachers at centers:

At most centers, teachers are available throughout the day where students can discuss their doubts personally with them on a one-to-one basis.

#### 3. Online doubt sessions:

In addition to the above, separate doubt sessions are conducted in online mode also on a daily basis. In such doubt sessions too, students can interact with the teacher live from their homes and get their doubts cleared.

#### 4. Doubt Forum

Bakliwal Tutorials has an interactive doubt forum with exciting features where students can post their doubts and also solve the doubts of other students. Teachers also provide detailed video solutions of the doubts in the forum. The questions are easily searchable and are systematically available for reference and learning. Despite being a closed forum, meant exclusively for BT students, BT's forum is amongst the top results in Google search.

#### 5. Telegram group

Official Telegram groups (similar to WhatsApp groups) are created batch-wise with the sole purpose of doubts discussion. Students can post their doubts in that group and fellow batch mates along with teachers will participate to solve the same. This helps students to get instant solutions to most of their doubts at almost any time of the day.

# About Foundation Advanced Plus Course

## Tentative Course Plan

Every 8 weeks, there shall be 4 Physics, 4 Chemistry, 4 Math, 4 Biology (optional), 1 Logic, 1 Coding and 1 BTest of 3 hrs duration.

Physics	Mathematics	Chemistry	Logic	Coding	Biology (optional)
Revision	Revision (Linear Equations, Quadratic Equations, Arithmetic & Geometric Progressions, Probability)	Chemical Bonding (Ionic bond)	Graphs	Revision of Concepts in Foundation Basic and Foundation Advanced Exception Handling	Cell Biology, Tissue
Revision	Revision (Co-ordinate Geometry, Trigonometry, Mensuration)	Covalent Bond			
BTest - 1					
Optics	Complex Number - 1	VBT (Valence Bond Theory)	Mathematical Induction	Recursion	Nutrition, Respiration in plants and Animals, Transportation in plants & Animals
Lens	Complex Number - 2	Hybridization			
BTest - 2					
Magnetism	Limits Of Functions	Valence Shell Electron Pair Repulsion (VSEPR) Theory	Mental Ability	Sorting and Searching Algorithms	Excretion, Reproduction in plants & Animals, Endocrine System
EMI	Derivatives Of Functions	Dipole moment, Hydrogen bonding			
BTest - 3					
Derivatives	Indefinite Integration - 1	Theory of vanderwaal forces	Analogies	Introduction to Time Complexity and the Big O Notation	Nervous System & sense organ Heredity and Variation, Human Evolution
Heat Energy & Thermodynamics	Indefinite Integration - 2	Nomenclature of org comp.			
BTest - 4

## About Foundation Advanced Plus Course

In addition to these lectures, special lectures will be conducted for preparation of few important exams like Olympiads, DHBBVS etc., as per the table below:

Exam Name	Tentative date of exam	Eligibility	Subjects	Number of lectures	Lecture Months	Mock Tests
PRMO/IOQM	Mid-August	8th to 12th Standard	Mathematics	9		
NSEJS (National Standard Examination in Junior Science)	End of November	Class 10 and lower	Science	6 Lectures for each of Physics, Chemistry and Biology for all these exams	August to November	3 for each Exam
Dr. Homi Bhabha Balvaidnyanik Competition (DHBBVC)	October First week	Class 9	Science			

Due to space constraints, based on your BTest performance during the course, top few students will be selected to attend these special lectures live. For the rest of the students, we shall share the recording of these lectures. However, if any student is highly interested, based on space availability, we will allow him/her to attend these lectures live.

There will be no separate charges for these special lectures.

### Admission Process

Only selected Foundation Advanced students are offered this course. Selection to the Foundation Advanced Plus course is based on the performance of the student in the BTests conducted during the Foundation Advanced course. Best of 3 out of the 4 BTests conducted so far, shall be considered. The students shall be informed whether they have been selected or not for this course, on 17th Jan 2024 via email and SMS.

Selected students need to confirm their admission latest by 23rd Jan 2024. We might offer admissions to a few more students later depending upon seat availability.

## Biology as an optional subject in the Foundation Advanced Plus course

Opting for Biology shall be optional for students. Students who are currently unclear in general which field to choose after 10th std, can keep their options open by opting for Biology along with the other subjects (Physics, Chemistry, Math, Logic & Coding) in the Foundation Advanced course. Students in 10th std shall also be benefited with the Biology subject for their boards preparation.

### Biology Course Plan

• Cell Biology
• Tissue
• Nutrition
• Respiration in plants and Animals
• Transportation in plants & Animals
• Excretion
• Reproduction in plants & Animals
• Endocrine System
• Nervous System & sense organ
• Heredity and Variation
• Human Evolution

### Fee for Biology:

An additional fee of Rs 8,000/- shall be charged for students opting for Biology in the Foundation Advanced Plus course.

## FAQs For Foundation Basic Advanced Plus Course

**Q1. What is the duration of Foundation Advanced Plus Course? When does it begin and end?**

**Ans.** Foundation Advanced Plus is a seven month course. It shall begin in the 1st week of May 2024 depending upon the scheduled days of the batches. The course shall end by Dec 2024 end.

**Q2. What about students who do not qualify for the Foundation Advanced Plus course?**

**Ans.** For students who do not qualify for Foundation Advanced Plus course, we strongly recommend that they repeat the Foundation Advanced course and strengthen their fundamentals. Fee for students who repeat the Foundation Advanced course is Rs 29,000/.

**Q3. What after the completion of Foundation Advanced Plus course?**

**Ans.** After successful completion of the Foundation Advanced Plus course, students are eligible to join our two years Comprehensive course, for which a separate entrance exam shall be conducted.

**Q4. Would Foundation Advanced Plus course overburden the student as he has to prepare for his 10th std board exam also this year?**

**Ans.** Objective of this course is to keep the student in sync with the JEE preparation and ensure his steady progress for the same. Hence, any break in between is not desirable. We have kept the duration of this course short (only 7 months) and would be ending this course in Dec end itself so that the student gets free early for his board exam preparation. Hence, this course in no way would overburden the student. On the contrary, most topics from this course shall only help students for their 10th boards preparation.

**Q5. We have heard that BT encourages a few outstanding students from 9th/10th std to attend 1 subject out of P/C/M with 11th std students. Is that true?**

**Ans.** Yes, this course is called the 'Special Comprehensive course'. Many top rankers from BT have benefitted from this concept. For example, Vedang Asgaonkar (JEE Adv 2020, AIR 7), Omkar Thakoor (IIT-JEE 2010, AIR 11), Soham Joshi (JEE Adv 2021, AIR 46), Vedant Talegaonkar (JEE Adv 2022, AIR 89), Kalpesh Krishna (JEE Adv 2014, AIR 93), Shlok Pande (JEE Adv 2021, AIR 94), Shubhranil C.(JEE Adv 2021, AIR 157), Sahil Agrawal (IITJEE 2010, AIR 176), T. Akshay (JEE Adv 2016, AIR 182) & Arnhav Datar (JEE Adv 2018, AIR 200) are few toppers who had benefitted from this concept. In fact, all of them except Vedant Talegaonkar cleared Physics Olympiad 1st round as well, with Soham, Vedang, Omkar, Sahil, Arnhav & T.Akshay cleared 2nd round also. Vedang scored a perfect 100 percentile in Physics in JEE Main 2020. Vedang Asgaonkar, Kalpesh Krishna, T. Akshay & Arnhav Datar are toppers at their respective IITs as well.

Top students of the Foundation Advanced course (based on their performance in BTests) are offered this special program after the Foundation Advanced course is completed.
